North Carolina Gross Premiums Tax
Captive Insurance Company
Form IB-4A1 Instructions

General Information

All captive insurance companies as defined in G.S. 58-10-340 doing business in this State are subject to gross premiums tax pursuant to G.S. 105-228.4A. Every captive insurance company licensed to do business in North Carolina is considered to be doing business and is required to file a gross premiums tax return and pay gross premiums tax, regardless of whether premiums have been written, unless it has been declared "inactive" pursuant to G.S. 58-10-490. If a captive insurance company holds an active license for any portion of a tax year it is required to file a gross premiums tax return and pay gross premiums tax. **The minimum tax is due even if the captive insurance company has no written premiums.** In the case of a branch captive insurance company, the tax is levied only on the branch business of the company.

The gross premiums tax return for captive insurance companies is due on or before March 15. The return covers activities during the immediately preceding calendar year. If a captive insurance company has a fiscal year-end, the return must include a schedule showing premiums for the calendar year. For example, a captive with a fiscal year ending July 31 would include activity for the period January 1 through July 31, and the period August 1 through December 31.

The premium amounts reported on the captive insurance company premiums tax form **must** agree with amounts reported in the financial report filed with the North Carolina Department of Insurance ("NCDOI"). A copy of the "Premiums Schedule" included in the financial report **must** be attached to the return when filed. Information on requirements for filing the annual financial report is available at www.nccaptives.com.

The information contained in these instructions is to be used as a guide in the preparation of the North Carolina gross premiums tax return and is not intended to cover all provisions of the law pertaining to captive insurance companies. For specific information on the formation of captive insurance companies in the State, refer to Chapter 58, Article 10, Part 9 of the General Statutes. For specific information on the taxation of captive insurance companies, refer to Chapter 105, Article 8B of the General Statutes.

Form IB-4A1 is to be filed by captive insurance companies filing as stand-alone captives. This form is **not** to be used by a protected cell captive insurance company or a group of captive insurance companies under common ownership and control filing as a consolidated group of captive insurance companies. Protected cell captive insurance companies must file Form IB-4A2. Consolidated groups must file Form IB-4A3. The forms are available on the Department's website.
