Notes:

Taxable property is assessed at 100% of appraised value and reappraisals are effective January 1 of given year.

All counties must reappraise real property at least every 8 years, but may elect to reappraise more frequently. These counties have adopted a more frequent reappraisal schedule.

Tax rates for municipal service districts apply only to certain areas within the municipalities and not to all municipal property. Rates are shown in the SPECIAL DISTRICTS column.
