**Note**

The information contained in this manual is to be used as a guide in the preparation of the 2024 North Carolina individual income tax return and is not intended to cover all provisions of the law.

**Purpose**

This manual is designed to assist in the preparation of the 2024 North Carolina individual income tax return. It will provide guidance to complete the tax return. This should also serve as a reference guide once you begin offering volunteer assistance to taxpayers.

For volunteers participating in the VITA (Volunteer Income Tax Assistance) and the TCE (Tax Counseling for the Elderly) programs, it is very important for you to assist only with tax returns, supporting schedules, and forms for which you have been trained. Please advise taxpayers with difficult returns or portions of returns that are beyond the scope of your training to contact the Department of Revenue at 1-877-252-3052 for further assistance.

**Confidentiality and Integrity**

As a volunteer tax assistor, you have a special public trust to maintain the integrity of our tax system. The public places a high level of confidence in you; therefore, you **MUST NOT** disclose any tax return information you learn as a result of the assistance provided.

**Quality**

Providing quality service to taxpayers is our goal. Therefore, accuracy in completing tax returns is essential. The following list suggests some ways to ensure that each return is prepared correctly:

- Use a calculator to verify your math.
- Refer to your training manual and job aids for help with complicated topics.
- Use the checklists and worksheets provided.
- Consult with other, more experienced, volunteers at your site.
- Call the Department of Revenue’s taxpayer assistance number at 1-877-252-3052.

**Forms**

The Department of Revenue will provide all the forms needed for your site at the beginning of the filing season. Please send an email to the Customer Education Team at [CustomerEducationTeam@ncdor.gov](mailto:CustomerEducationTeam@ncdor.gov) to request forms.

## GENERAL INFORMATION

This section will discuss general information as to who should file a North Carolina individual income tax return, residency requirements, and which tax forms to use as well as when tax returns are due and other general information.

### **Who should file a North Carolina individual income tax return?**

The minimum gross income filing requirements under North Carolina law are different from the filing requirements under the Internal Revenue Code because North Carolina law does not allow the same standard deduction amount as the Internal Revenue Code.

The following individuals are required to file a 2024 North Carolina individual income tax return:

- a. Every resident of North Carolina whose gross income for the taxable year exceeds the amount for their filing status shown in the Filing Requirements Chart on the following page.
- b. Every part-year resident who received income while a resident of North Carolina or who received income while a nonresident that was (1) attributable to the ownership of any interest in real or tangible personal property in North Carolina, or (2) derived from a business, trade, profession, or occupation carried on in North Carolina, or (3) is derived from gambling activities in North Carolina and whose total gross income for the taxable year exceeds the amount for their filing status shown in the Filing Requirements Chart on the following page.
- c. Every nonresident who received income for the taxable year from North Carolina sources that was (1) attributable to the ownership of any interest in real or tangible personal property in North Carolina, (2) or derived from a business, trade, profession, or occupation carried on in North Carolina, or (3) derived from gambling activities in North Carolina and whose total gross income from all sources both inside and outside of North Carolina for the taxable year exceeds the amount for their filing status shown in the Filing Requirements Chart on the following page.
- d. If a taxpayer's federal gross income was less than the amount shown in the Filing Requirements Chart for their filing status, the taxpayer must file a tax return to receive a refund of N.C. income tax withheld.

If a taxpayer was not required to file a federal income tax return, but their total gross income from all sources both inside and outside of North Carolina exceeds the amount for their filing status shown in the Filing Requirements Chart on the following page, the individual must complete a federal income tax return and attach it to their North Carolina income tax return to show how their federal adjusted gross income and deductions were determined.

Gross income includes all income a taxpayer receives in the form of money, goods, property, and services that is not exempt from tax. It also includes income from sources outside the United States.

When using the Filing Requirements Chart on the following page, do not include social security benefits as gross income.

### Is the taxpayer a resident or a nonresident?

“G.S. § 105-153.3(15)” defines a resident as “an individual who is domiciled in this State at any time during the taxable year or who resides in this State during the taxable year for other than a temporary or transitory purpose.”

In the absence of convincing proof to the contrary, an individual who is present within North Carolina for more than 183 days during the taxable year is presumed to be a resident for income tax purposes, but the absence of an individual from the State for more than 183 days raises no presumption that the individual is not a resident.

A resident who moves from the State during a taxable year is considered a resident of North Carolina until the individual has both established a definite domicile elsewhere and abandoned any domicile in North Carolina. A taxpayer may have several places of abode in a year, but at no time can an individual have more than one domicile. A mere intent or desire to make a change in domicile is not enough; voluntary and positive action must be taken. The fact of marriage does not raise any presumption as to domicile or residence.

Listed below are some of the factors to be considered in determining the legal residence of an individual for income tax purposes. As implied by the list of factors below, an individual's legal state of residence is reflected more by the routine events of life than by events such as voting or obtaining a driver's license which may occur every four or eight years.

1. Place of birth of the taxpayer, the taxpayer's spouse, and the taxpayer's children.
2. Permanent residence of the taxpayer's parents.
3. Family connections and close friends.
4. Address used for federal tax returns, military purposes, passports, driver's license, vehicle registrations, insurance policies, professional licenses or certificates, subscriptions for newspapers, magazines, and other publications, and monthly statements for credit cards, utilities, bank accounts, loans, insurance, or any other bill or item that requires a response.
5. Civic ties, such as church membership, club membership, or lodge membership.
6. Professional ties, such as licensure by a licensing agency or membership in a business association.
7. Payment of state income taxes.
8. Place of employment or, if self-employed, place where business is conducted.
9. Location of healthcare providers, such as doctors, dentists, veterinarians, and pharmacists.

10. Voter registration and ballots cast, whether in person or by absentee ballot.
11. Occasional visits or spending one's leave "at home" if a member of the armed services.
12. Ownership of a home, insuring a home as a primary residence, or deferring gain on the sale of a home as a primary residence.
13. Location of pets.
14. Attendance of the taxpayer or the taxpayer's children at State supported colleges or universities on a basis of residence – taking advantage of lower tuition fees.
15. Location of activities for everyday "hometown" living, such as grocery shopping, haircuts, video rentals, dry cleaning, fueling vehicles, and automated banking transactions.
16. Utility usage, including electricity, gas, telecommunications, and cable television.

### **What is the taxpayer's status if he moves into or out of North Carolina during 2024?**

An individual who moves their domicile (legal residence) into or out of North Carolina during the tax year is a part-year resident. A part-year resident must complete Form D-400 Schedule PN, Part-Year Resident and Nonresident Schedule, and may need to complete Form D-400 Schedule PN-1, Other Additions and Other Deductions (if applicable) to determine the percentage of federal gross income, as adjusted, subject to North Carolina income tax.

Listed below are some of the factors to consider in determining when residency may have changed:

1. Selling a house and buying a new one.
2. Directing U.S. Postal Service to forward mail to a new address.
3. Transferring family medical records to a new healthcare provider.
4. Notifying senders of statements, bills, subscriptions, and similar items of a new address.
5. Registering a vehicle in a new jurisdiction.
6. Transferring memberships for church, health club, lodge, or similar activity.
7. Applying for professional certifications in a new jurisdiction.

### **The taxpayer is a full-year North Carolina resident, but the spouse is not. How should they file?**

If a taxpayer files a joint federal return and their spouse is a nonresident of North Carolina who had no North Carolina taxable income, the taxpayer may file a joint North Carolina return or a North Carolina return as married filing separately. If the taxpayer chooses to file a North Carolina return as married filing separately, the taxpayer must complete either a federal return as married filing separately reporting only the taxpayer's income and deductions or a schedule showing the computation of the taxpayer's separate income and deductions and attach it to their North Carolina tax return.

### **What is the residency status of a taxpayer who is in the Armed Forces?**

If a taxpayer is serving in the United States Armed Forces and their domicile (legal residence) is North Carolina, the taxpayer must pay North Carolina income tax and North Carolina income tax should be withheld from their military pay, regardless of where the taxpayer is stationed. Domicile or legal residence is an individual's permanent home. A taxpayer's legal residence does not change even though the taxpayer may be absent for one or more years unless the taxpayer intends to change their state of residence and take voluntary and positive actions to do so.

If a taxpayer is a legal resident of another state who is stationed in North Carolina on military orders, their military pay will not be taxed by North Carolina.

**The taxpayer is in the Armed Forces and the taxpayer and spouse are nonresidents.  
Will the spouse's North Carolina income be taxed in North Carolina?**

The Veterans Benefits and Transition Act of 2018 amended the Servicemembers Civil Relief Act to allow the spouse of a servicemember to elect to use the same state of residence as the servicemember for state tax purposes. Beginning with taxable year 2018, this election can be made regardless of when or where the taxpayers were married.

The income earned for services performed in North Carolina by a spouse of a servicemember who made the residency election under the Veterans Benefits and Transition Act of 2018 is not subject to North Carolina income tax if: (1) the servicemember is present in North Carolina serving in compliance with military orders, (2) the servicemember's spouse is in North Carolina solely to be with the servicemember, and (3) the active duty servicemember maintains legal residence in a state other than North Carolina and the servicemember's spouse elects that same state as their legal state of residence.

If all three of the above conditions are met, an employer is not required to withhold North Carolina tax from wages paid to the military spouse. A spouse who does not meet all of the requirements should see the instructions for Form D-400 Schedule PN in the individual income tax instruction booklet.

**What form should the taxpayer use?**

All individuals (including part-year residents and nonresidents) required to file a North Carolina individual income tax return must file Form D-400. If a taxpayer has additions to or deductions from federal adjusted gross income, they must complete and attach Form D-400 Schedule S, N.C. Adjustments for Individuals to Form D-400. If the taxpayer claims North Carolina itemized deductions, they must complete and attach Form D-400 Schedule A, N.C. Itemized Deductions to Form D-400. If a taxpayer is a part-year resident or nonresident who received income from North Carolina sources, they must complete and attach Form D-400 Schedule PN, Part-Year Resident and Nonresident Schedule to Form D-400 and may need to complete Form D-400 Schedule PN-1, Other Additions and Other Deductions (if applicable). If a taxpayer is claiming a North Carolina tax credit, they must complete and attach Form D-400TC, Individual Income Tax Credits to Form D-400. In addition, if a taxpayer is claiming a North Carolina tax credit and is required to complete Form NC-478 or Form NC-Rehab, they must attach the applicable form(s) to Form D-400.

**When must the tax return be filed?**

If a taxpayer's return is filed on a calendar year basis, the 2024 return is due on or before **April 15<sup>th</sup>, 2025**. When the due date falls on a Saturday, Sunday, or legal holiday, the return is due on or before the next business day.

A fiscal year return is due on the 15<sup>th</sup> day of the 4<sup>th</sup> month following the end of the taxable year. A fiscal year return must be filed on a tax form for the year in which the fiscal year begins. For example, a 2024 tax form must be used for a fiscal year beginning in 2024. If a fiscal year return is filed, the applicable dates should be printed in the boxes provided at the top of Form D-400.

If a taxpayer is out of the country on the original due date of the return, the taxpayer is granted an automatic four month extension to file their North Carolina individual income tax return if the circle is filled in on page 1 of Form D-400. "Out of the Country" means a taxpayer lives outside the United States and Puerto Rico and their main place of work is outside of the United States and Puerto Rico, or they are in military service outside the United States and Puerto Rico. The time for payment of the tax is also extended; however, interest is due on any unpaid tax from the original due date of the return until the tax is paid. Nonresident aliens are required to file returns at the same time they are required to file their federal returns.

### **What if the taxpayer needs more time to file?**

A taxpayer who receives an automatic extension to file a federal individual income tax return will be granted an automatic state extension to file their N.C. individual income tax return, Form D-400. In order for a taxpayer to receive the automatic state extension, the taxpayer **MUST** fill in the “Federal Extension” circle on page 1 of Form D-400.

If a taxpayer does not receive an automatic state extension to file their N.C. individual income tax return, the taxpayer may still request an extension of time to file their return by filing Form D-410, Application for Extension for Filing Individual Income Tax Return, by the original due date of the N.C. tax return. Without a valid state extension, a N.C. individual income tax return filed after the original due date is delinquent.

**Important:** Although a taxpayer isn’t required to make a payment of the tax they estimate as due with Form D-410, an extension of time to file a state tax return does not extend the time to pay the tax. If a taxpayer does not pay all of the taxes owed by the original due date, the taxpayer will owe interest on the remaining tax amount until the tax is paid. The taxpayer is also subject to all applicable penalties provided by law.

### **When should an Amended North Carolina income tax return be filed?**

Generally, an amended return on which a taxpayer owes additional tax is required to be filed and the tax paid within three years after the date the taxpayer filed their return or within three years from the date required by law for filing the return, whichever is later. Amended returns requesting a refund must be filed within the statute of limitations.

If the Internal Revenue Service makes changes to a taxpayer’s federal return, the taxpayer must report the changes to the state by filing an amended return within six months from the date the report from the Internal Revenue Service is received. If a taxpayer does not amend the state return to reflect the federal changes and the Department of Revenue receives the report from the Internal Revenue Service, an assessment may be made by the Department within three years from the date of receipt of the report, and the taxpayer’s right to any refund which might have been due by reason of the change is forfeited.

In addition, if a taxpayer voluntarily files an amended federal return that increases the amount of state tax payable, the taxpayer must file an amended North Carolina return within six months of filing the amended federal return. If the amended federal return contains an adjustment that would decrease that amount of state tax payable, the taxpayer may file an amended North Carolina return within the general statute of limitations for obtaining a refund. If a taxpayer does not amend the state return to report the federal changes, an assessment may be made by the Department within three years after the date the federal amended return was filed with the Internal Revenue Service, and the taxpayer’s rights to any refund which might have been due by reason of the amended return is forfeited.

### **What if the taxpayer moves?**

If a taxpayer moves or has a change in their mailing address, the taxpayer should notify the Department of Revenue of their forwarding address by calling 1-877-252-3052. If the taxpayer is unable to call the Department, then they should write a letter requesting a change of address to North Carolina Department of Revenue, Attention: Customer Service, P.O. Box 1168 Raleigh, North Carolina 27602-1168. The letter should include their name(s), social security number(s) and their new mailing address.

## GENERAL FORM INSTRUCTIONS

This section of the manual includes reminders about completing the North Carolina individual income tax return as well as what to do when the return is completed. The following information applies to **ALL** North Carolina individual income tax returns.

### **On-site quality review**

The volunteer should review the return for accuracy and completeness. Properly reviewed returns will help prevent taxpayers from receiving a notice from the Department of Revenue. The following checklist should be used as a guideline for your review of the North Carolina individual income tax return.

- ✓ Are the name(s), address, social security number(s), county, and contact telephone number of the taxpayer(s) properly reflected on the return?
- ✓ Are the questions answered correctly in the circles under the name and address section?
- ✓ Is the filing status the same as the one checked on the federal return (unless the exception applies)?
- ✓ Has the federal adjusted gross income from the federal return been correctly transferred?
- ✓ Has the correct North Carolina tax been determined?
- ✓ Has the North Carolina income tax withheld been correctly transferred from the W-2 form(s) or 1099 statement(s)?
- ✓ Is the refund or balance due calculated correctly?
- ✓ Did the taxpayer(s) sign and date the tax return?
- ✓ Did the volunteer indicate the return was prepared by VITA or TCE, date the return, and identify the VITA site?
- ✓ Are all required forms and/or schedules attached to the tax return?

### **Rounding off cents to the nearest whole dollar**

Round off to the nearest whole dollar. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next whole dollar.

Examples:     \$2.15 would be decreased to \$2.00  
                  \$4.75 would be increased to \$5.00  
                  \$3.50 would be increased to \$4.00

### **Assembling the return**

Staple the State's copy of all original, or a copy of the original, W-2 wage and tax statements, 1099 statements, or other statements verifying North Carolina income tax withheld. Be sure to include Federal Forms DD-214, 1099-R, or similar official document showing proof of service if the Bailey retirement deduction or military retirement deduction is claimed along with all required schedules, if applicable.

If a payment is due, do not staple, tape, paperclip, or otherwise attach the payment or voucher to the tax return or to each other. For additional information regarding a payment due, please see "**How to pay the tax**" on the next page.

## **Signing the return**

The taxpayer's return is not considered valid unless it is signed. If the taxpayer is filing a joint return, the spouse must also sign. The taxpayer should include the signature date and contact phone number on the tax return. Providing the taxpayer's contact phone number may help speed the processing of their tax return. If the taxpayer answers questions over the phone, the Department may be able to process their return without mailing them a letter. If the taxpayer is filing a joint return, either spouse's phone number can be entered.

## **Preparer's signature**

Generally, individuals who are paid to prepare individual income tax returns are required by law to sign and date the return and to provide a taxpayer identification number. Individuals participating in the VITA or TCE program should indicate in bold letters VITA or TCE, date the return, and also identify the site where the return was prepared in the "Preparer's Signature" section of the tax return.

## **How to pay the tax**

If a taxpayer owes additional tax, they can pay online by bank draft (free), or credit or debit card using Mastercard or Visa (\$2 convenience fee for every \$100 paid). This online service is accurate, secure, and convenient. For details, visit the Department's website at **[ncdor.gov](http://ncdor.gov)**.

A taxpayer can also pay by check or money order. **Do not send cash.** The Department will not accept a check, money order, or cashier's check unless it is drawn on a U.S. (domestic) bank and the funds are payable in U.S. dollars. The taxpayer should make their check or money order payable to the N.C. Department of Revenue for the full amount due. The taxpayer should write "2024 D-400" and their name, address, and social security number on their payment. If a taxpayer is filing a joint return, both names and social security numbers should be written on the payment in the order that they appear on the return.

If the taxpayer does not pay online, they may visit the Department's website and generate a personalized D-400V, Individual Income Tax Payment Voucher. They can submit the payment voucher with their return and payment, and mail to the following address:

**N.C. DEPARTMENT OF REVENUE  
P.O. BOX 25000  
RALEIGH, NC 27640-0640**

If tax software is used to prepare a taxpayer's return, include Form D-400V and payment with the tax return generated by the software package.

## **Refunds**

A taxpayer can check the status of their refund at the Department's website at **[ncdor.gov](http://ncdor.gov)**. The automated refund inquiry line 1-877-252-4052 (toll-free) will also give the taxpayer the status of their current refund. The taxpayer can also obtain amended return refund information. Service is available 24 hours a day, seven days a week. The taxpayer will need the first social security number and the amount of refund shown on their return when contacting the Department.

## **Mailing the return**

After the North Carolina Individual Income Tax has been completed and reviewed, return it to the taxpayer for signing and mailing. **YOU MUST NOT BE RESPONSIBLE FOR MAILING ANY TAXPAYER'S RETURN.** Please advise the taxpayer to make a copy of the completed return along with all supporting schedules before mailing and to keep the copy for at least three years. Advise the taxpayer to mail the original forms. Photocopies are not acceptable. Also, remind the taxpayer that the return (or application for an extension) must be mailed no later than **Tuesday, April 15, 2025.**

Inform the taxpayer to mail the return to one of the following addresses:

**Refunds:** N.C. Department of Revenue  
P.O. Box R  
Raleigh, NC 27634-0001

**All Other Returns:** N.C. Department of Revenue  
P.O. Box 25000  
Raleigh, NC 27640-0640

**FORM D-400,  
NORTH CAROLINA INDIVIDUAL  
INCOME TAX RETURN**

**Name, Address, and Social Security Number**

Enter the taxpayer's name, address, and social security number. If a taxpayer is filing as married filing jointly, enter the spouse's name and social security number in the designated space. If a taxpayer is married filing separately, provide the spouse's name and social security number on Line 3.

**County**

Enter the first 5 letters of the county in which the taxpayer resided on the last day of 2024. The county of residence may be different than the county of the taxpayer's mailing address.

**N.C. Education Endowment Fund Contribution**

A taxpayer may elect to contribute to the N.C. Education Endowment Fund by making a contribution to the fund. To make a contribution, a taxpayer can enclose Form NC-EDU and their payment with their completed Form D-400. If a taxpayer owes additional income tax on their return and would like to make a contribution to the fund, the taxpayer may write one check and enclose the check with both Form NC-EDU and Form D-400V. To designate part of the taxpayer's overpayment to the N.C. Education Endowment Fund, see instructions for Line 31 on Page 16 of the individual income tax instruction booklet.

**Out of the Country**

Fill in the circle if the taxpayer or, if married filing jointly, the taxpayer's spouse were out of the country on the statutory due date of the return.

**Deceased Taxpayer Information**

If a taxpayer is a surviving spouse or an executor, administrator, or court-appointed personal representative, (collectively "personal representative") of an individual who died during tax year 2024, they may be required to file a return on the decedent's behalf.

If an individual is a personal representative and is filing a tax return for an unmarried individual or a married filing separate return for an individual who died during tax year 2024, enter the name of the deceased and your address in the "Name and Address" section. In the "Deceased Taxpayer Information" section, fill in the circle and enter the taxpayer's date of death. You should also sign the tax return. In addition, attach to the tax return a copy of the certificate that shows your appointment. A refund due on a return filed for a deceased taxpayer by a person other than a spouse or personal representative will be mailed to the Clerk of Superior Court of the county in which the taxpayer resided.

If a taxpayer is a surviving spouse and chooses to file married filing jointly with their spouse who died during tax year 2024, enter their name, the name of the deceased, and their address in the "Name and Address" section of the return. In the "Deceased Taxpayer Information" section, enter the date of the decedent's death in the space provided. The surviving spouse should also sign the tax return.

If a taxpayer is a surviving spouse and chooses to file married filing separately for their spouse who died during tax year 2024, enter the name of the deceased taxpayer and their address in the "Name and Address" section of the return. In the "Deceased Taxpayer Information" section, enter the date of the decedent's death in the space provided. The surviving spouse should also sign the return.

## Residency Status

A taxpayer should fill in the applicable circles to indicate whether he/she and, if married filing jointly, their spouse were residents of North Carolina for the entire year. If married filing separately, a taxpayer should not complete the information for their spouse.

## Veteran Information

Fill in the applicable circle(s) to indicate whether the taxpayer and, if married filing jointly, the taxpayer's spouse are veterans. If married filing separately, a taxpayer should not complete the information for their spouse. Veteran information, which is voluntarily reported, is used to compile a report about the number of veterans filing tax returns in North Carolina. No information regarding a taxpayer's tax liability will be shared. Information specific to individual employers or employees shall remain confidential in accordance with G.S. § 105-259.

## Federal Extension

A taxpayer should fill in the circle to certify if he/she and, if married filing jointly, their spouse were granted an automatic extension to file their 2024 federal income tax return. If a taxpayer does not certify that an automatic federal extension was granted, then the taxpayer may be subject to applicable penalties.

## Lines 1-5 Filing Status

A taxpayer should fill in the circle next to the same filing status that was checked on their federal tax return. If a taxpayer did not file a federal tax return, the taxpayer should fill in the circle that corresponds to the filing status that they would have been entitled to if they had filed a federal tax return. If a taxpayer's federal return does not reflect a North Carolina address, the taxpayer **must** attach a copy of their federal tax return to their state tax return.

<p style="text-align: center;"><b>FORM D-400 SCHEDULE A, N.C. ITEMIZED DEDUCTIONS</b></p>
-----------------------------------------------------------------------------------------------

North Carolina itemized deductions are not identical to federal itemized deductions. The items allowed in calculating North Carolina itemized deductions include: home mortgage interest, real estate property taxes, charitable contributions, medical and dental expenses, and repayment of claim of right income. These deductions are subject to certain North Carolina limitations. To determine the amount of N.C. itemized deductions, complete Lines 1 through 10 on Form D-400 Schedule A and attach to Form D-400.

**Line 1 Home Mortgage Interest**

Enter the amount allowed as a deduction for interest paid or accrued during tax year 2024 under section 163(h) of the Code with respect to any qualified residence.

**Line 2 Real Estate Property Taxes**

Enter the amount allowable as a deduction for property taxes paid or accrued on real estate under IRC section 164 for tax year 2024. A taxpayer that files a joint return, single return, or as head of household may not deduct more than \$10,000 of real estate property taxes while married taxpayers filing separately may not deduct more than \$5,000.

**Line 3 Home Mortgage Interest and Real Estate Property Taxes before Limitation**

Add Lines 1 and 2 and enter the result on Line 3.

**Line 4 Home Mortgage Interest and Real Estate Property Taxes Limitation**

Statutorily, the sum of qualified mortgage interest and real estate property taxes claimed may not exceed \$20,000. For spouses filing as married filing separately or married filing jointly, the total mortgage interest and real estate property taxes claimed by both spouses combined may not exceed \$20,000. For spouses filing as married filing separately with a joint obligation for home mortgage interest and real estate property taxes, the deduction for these items is allowable to the spouse who actually paid them. If the amount of home mortgage interest and real estate property taxes paid by both spouses exceeds twenty thousand dollars (\$20,000), the deductions must be prorated based on the percentage paid by each spouse. For joint obligations paid from joint accounts, the proration is based on the income reported by each spouse for that taxable year.

**Line 5 Home Mortgage Interest and Real Estate Property Taxes after Limitation**

Compare Line 3 with Line 4 and enter the **smaller** amount.

**Line 6 Charitable Contributions**

Enter the amount allowed as a deduction for charitable contributions under IRC section 170 for tax year 2024.

**Line 7a Medical and Dental Expense Before Limitation**

Enter the amount allowed as a deduction for medical and dental expenses under IRC section 213. Do not include on Line 7a items that are not included in federal adjusted gross income. For example, do not include insurance premiums paid by a taxpayer's employer.

**Line 7b Enter the Amount from Form D-400, Line 6**

If the amount on Line 6 is negative, fill in the circle next to the line to indicate the amount is negative.

**Line 7c Multiply Line 7b by 7.5% (0.075)**

If this amount is zero or less, enter a zero on Line 7c.

**Line 7d Medical and Dental Expenses after Limitation**

Subtract Line 7c from Line 7a. If Line 7c is more than Line 7a, enter a zero on Line 7d.

**Line 8 Repayment of Claim of Right Income**

A taxpayer may be entitled to a deduction for the repayment of income included in federal adjusted gross income in an earlier tax year because it appeared that the taxpayer had an unrestricted right to such income, to the extent the repayment is not deducted in arriving at federal adjusted gross income in 2024. If the repayment is more than \$3,000, the deduction is the amount of the repayment. If a taxpayer claimed itemized deductions on their 2024 federal income tax return, enter the amount claimed on federal Schedule A, Line 16. If the repayment is \$3,000 or less, refer to the worksheet below to calculate the taxpayer’s deduction.

<b>Repayment of Claim of Right Worksheet</b>	
<b>Repayment of amounts under a claim of right if \$3,000 or less:</b>

4. Subtract Line 3 from Line 1. Enter amount on Form D-400, Schedule A, Line 8 .....	4. _____

**Line 9 Reserved for Future Use**

Do not enter an amount on this line. **Leave the line blank.** This line will be used by the Department to accommodate future changes to the 2024 tax return, if applicable. **The unauthorized use of this line may prevent the Department from processing the taxpayer’s tax return.**

**Line 10 Total N.C. Itemized Deductions**

Add Lines 5, 6, 7d, 8, and 9. This is the amount of North Carolina itemized deductions that a taxpayer may deduct on Form D-400, Line 11. **If an amount is entered on Line 10, Form D-400 Schedule A must be attached to Form D-400. If Form D-400 Schedule A is not attached to Form D-400, the Department may not be able to process the tax return.**

<p><b>FORM D-400 SCHEDULE PN, PART-YEAR RESIDENT AND NONRESIDENT SCHEDULE</b></p>
-------------------------------------------------------------------------------------------

If the taxpayer or their spouse, if married filing jointly, were not full-year residents of North Carolina during tax year 2024, the taxpayer must complete Form D-400 Schedule PN to determine the percentage of federal gross income, as adjusted, that is subject to North Carolina income tax. A taxpayer is a “**part-year resident**” if they moved to North Carolina and became a resident during the tax year, or they moved out of North Carolina and became a resident of another state during the tax year. A taxpayer is a “**nonresident**” if they were not a resident of North Carolina at any time during the tax year.

Form D-400 Schedule PN contains three Parts: Part A, Residency Status; Part B, Allocation of Income for Part-Year Residents and Nonresidents; and Part C, Part-Year Residents and Nonresidents Taxable Percentage.

## **Part A – Residency Status**

The taxpayer and/or spouse, if married filing jointly, must fill in the applicable circle(s) indicating their residency status for tax year 2024. Part-year residents must also enter the dates of North Carolina residency in the boxes provided.

## **Part B – Allocation of Income for Part-Year Residents and Nonresidents**

### **Lines 1 through 15**

In Column A, Lines 1 through 15, enter the income a taxpayer received from all sources during tax year 2024. *(If a taxpayer filed a 2024 federal income tax return, enter the amounts reported on their federal return.)* If married filing jointly, a taxpayer must include the total income from all sources of both spouses, even if only one spouse is a resident. In Column B, enter the amount of Column A received from North Carolina sources or income received while the taxpayer was a resident of North Carolina.

If a taxpayer is a part-year resident include all income received while a taxpayer was a resident of North Carolina. This would include income from another state if this income was received while a taxpayer was a resident of North Carolina. In addition, a part-year resident receiving partnership income from a partnership doing business in North Carolina and in one or more other states must prorate the partner's share of the partnership's income attributable and not attributable to North Carolina between the partner's periods of residence and non-residence in accordance with the number of days in each period.

### **Line 16 Total Income**

For Column A and Column B, add Lines 1 through 15. Enter the total of each column on Line 16.

### **Lines 17a through 17e. North Carolina Additions to Federal Adjusted Gross Income**

In Column A, enter the amounts entered on Form D-400 Schedule S, Part A, that relate to gross income. In Column B, enter the amount of Column A that is applicable to North Carolina. **Important:** Lines 17a through 17d specifically list North Carolina adjustments that are required to be added back to the taxpayer's federal adjusted gross income, when applicable. Line 17e is a total of several N.C. adjustments specifically listed on Form D-400 Schedule PN-1. Before making an entry on Line 17e, review Part A of Form D-400 Schedule PN-1 to determine if a taxpayer is required to make additional N.C. adjustments that relate to gross income.

Example: If a taxpayer received interest income from obligations of a state other than N.C. of \$1,200 evenly during the year and became a North Carolina resident on July 1, the taxpayer should enter \$1,200 on Line 17a of Column A and \$600 on Line 17a of Column B.

### **Line 18 Total Additions**

For Column A and Column B, add Lines 17a through 17e. Enter the total of each column on Line 18.

### **Line 19a through 19h. North Carolina Deductions from Federal Adjusted Gross Income**

In Column A, enter the amounts entered on Form D-400 Schedule S, Part B, that relate to gross income. In Column B, enter the amount of Column A that is applicable to North Carolina. **Important:** Lines 19a through 19g specifically list N.C. adjustments that may be deducted from the taxpayer's federal adjusted gross income, when applicable. Line 19h is a total of several N.C. adjustments specifically listed on Form D-400 Schedule PN-1. Before making an entry on Line 19h, review Part B of Form D-400 Schedule PN-1, to determine if a taxpayer is allowed to make additional N.C. adjustments that relate to gross income.

## **Line 20 Total Deductions**

For Column A and Column B, add Lines 19a through 19h. Enter the total of each column on Line 20.

## **Line 21 Total Income Modified by N.C. Adjustments**

For Column A and Column B, add Line 16 plus Line 18 minus Line 20.

### **Line 24 Part-Year Residents and Nonresidents Taxable Percentage**

Divide Line 22 by Line 23. This is the percentage of the taxpayer's federal adjusted gross income, as adjusted, that is subject to North Carolina income tax. The resulting percentage may be greater than 100%. Enter the result as a decimal amount; round to four decimal places on Form D-400, Line 13. **If an amount is entered on Form D-400, Line 13, the taxpayer must attach Form D-400, Schedule PN to Form D-400. Otherwise, the Department may be unable to process the tax return**

<p style="text-align: center;"><b>FORM D-400 SCHEDULE PN-1, OTHER ADDITIONS AND OTHER DEDUCTIONS</b></p>
------------------------------------------------------------------------------------------------------------------

If a taxpayer or their spouse, if married filing jointly, are required to file Form D-400 Schedule PN, a taxpayer must review Form D-400 Schedule PN-1 to determine if they need to report N.C. adjustments that relate to gross income that were not specifically listed on Form D-400 Schedule PN. N.C. adjustments that relate to gross income for tax year 2024 that do not have a designated line on Form D-400 Schedule PN for tax year 2024 are listed on Form D-400 Schedule PN-1 for tax year 2024.

## **Part A – Other Additions to Federal Adjusted Gross Income That Relate to Gross Income**

### **Lines 1 through Line 11**

In Column A, enter the amount entered on Form D-400 Schedule S, Part A. In Column B, enter the amount of Column A that is applicable to North Carolina. **Important:** Do not enter an amount on Column A, Line 11, or Column B, Line 11. **Leave these lines blank.** These lines will be used by the Department to accommodate future changes to the 2024 tax return, if applicable. **The unauthorized use of these lines may prevent the Department from processing a taxpayer's tax return.**

Enter the total of Column B on Line 30 and on Form D-400 Schedule PN, Column B, Line 19h. **If an amount is entered on Form D-400, Schedule PN, Line 17e or Line 19h, the taxpayer MUST attach Form D-400, Schedule PN-1 to Form D-400. Otherwise, the Department may be unable to process the tax return. Failure to substantiate a tax deduction may result in the disallowance of the deduction.**

### **FORM D-400TC, INDIVIDUAL INCOME TAX CREDITS**

Form D-400TC and, if applicable, Form NC-478, and Form NC-Rehab must be filed for any taxable year in which a taxpayer is eligible to claim a tax credit or an installment of a tax credit against their tax liability. This requirement applies even if a taxpayer’s tax liability is not large enough for a taxpayer to benefit from the credit.

### **Part 1 Credit for Income Tax Paid to Another State or Country – N.C. Residents Only (Lines 1 through 7b)**

When income is taxed by North Carolina for a period during which a taxpayer was a legal resident of North Carolina and the same income is also taxed by another state or country because it was earned in or derived from sources within that state or country, a tax credit may be claimed, but not on the basis of a withholding statement alone. **Important:** No credit is allowed for income taxes paid to a city, county, or other political subdivision of a state or country or to the federal government. **Nonresidents are not entitled to this tax credit.**

North Carolina residents must complete Form D-400 and calculate North Carolina income tax. Then, complete Part 1 of Form D-400TC to determine the amount of allowable tax credit. **Note:** If a taxpayer wishes to claim a tax credit for taxes paid to more than one state or country, do not complete Lines 1 through 6. Instead, use the “Out-of-State Tax Credit Worksheet” on page 23 of the individual income tax instruction booklet to determine the amount of allowable tax credit for each state or country.

### **Line 1 Total Income from All Sources while a Resident of N.C. Modified by N.C. Adjustments to Federal Adjusted Gross Income**

Enter on Line 1 the total amount of income from all sources a taxpayer received while a resident of North Carolina, adjusted by the applicable additions and deductions to federal adjusted gross income that relate to gross income that were listed on Form D-400 Schedule S, Parts A and B. **Important:** If the amount of Line 1 is negative, enter the amount and fill in the circle located next to Line 1 to indicate the amount is negative.

**Example:** Mr. B's total income from Federal Form 1040, Line 9, is \$48,000. Mr. B earned \$36,000 of the \$48,000 while a resident of North Carolina. The North Carolina adjustments are as follows: state income tax refund of \$300 and interest from U.S. Savings Bond of \$200. In this example, the amount to enter on Line 1 of Form D-400TC is \$35,500 (\$36,000 - \$300 - \$200).

**Line 2 Portion of Line 1 that was Taxed by Another State or Country**

Enter on Line 2 the portion of total income from all sources that a taxpayer received while a resident of North Carolina, adjusted by the applicable additions and deductions to federal adjusted gross income that relate to gross income (from Line 1, above), that was taxed by another state or country. Include on Line 2 the taxpayer's share of any S Corporation income that is attributable to and taxed by another state, whether or not the other state taxed the income at the individual or corporate level.

**Line 3 Percentage**

Divide Line 2 by Line 1. Enter the result as a decimal amount; round to four decimal places.

**Line 4 Total North Carolina Income Tax**

Enter the amount from Form D-400, Line 15.

**Line 5 Computed Credit**

Multiply Line 4 by Line 3.

**Line 6 Amount of Net Tax Paid to the Other State or Country on the Income Shown on Line 2**

Enter on Line 6 only the amount of **net tax paid** to another state or country on the income shown on Line 2. The amount of **net tax paid** is any prepayment of tax (tax withheld, estimated tax payments, amount paid with an extension, etc.) plus any additional tax paid **less any refunds** received or expected to be received. Include on Line 6 the net tax paid to another state on the taxpayer's share of S Corporation income or their pro rata share of the net corporate tax paid by the S Corporation to another state that taxes the corporation rather than the shareholder. Attach a schedule showing the total amount of tax paid to the other state by the S Corporation, and how the taxpayer's pro rata share of the tax was determined. **Important:** A taxpayer must attach a copy of the tax return filed with the other state or country and a copy of their check, receipt or other proof showing payment of income tax paid to the other state or country.

**Line 7a Credit for Income Tax Paid to Another State or Country**

Enter the lesser of Line 5 or Line 6. This is the amount of tax credit for income tax paid to another state or country.

**Line 7b**

Enter the number of states or countries for which a credit is claimed.

**Purpose** - Use Form D-410 to request 6 more months to file the North Carolina Individual Income Tax Return, Form D-400. **Important:** Do not use this form to request an extension of time for filing partnership, estate, trust, corporate income, or franchise tax returns.

In general, if you were granted an automatic extension to file your federal income tax return, federal Form 1040, you do not have to file Form D-410 to receive an extension of time to file Form D-400. **Important:** *Although you aren't required to file Form D-410 to receive an automatic extension, if you need to make a payment of the tax you estimate as due, complete and file Form D-410 by the original due date of the return. If you do not pay the amount due by the original due date, you will owe interest plus any applicable penalties. For more information on Penalties and Interest, see the Department's website.*

If you were not granted an automatic extension to file your federal income tax return, you **MUST** file Form D-410 to receive an extension of time to file Form D-400. Even if you do not expect to owe additional tax, you must still apply for an extension and file the return by the extended due date for the return to be considered timely filed. **You do not have to attach this form to your return.**

To receive the extra time you **MUST**:

1. Estimate your tax liability using the information available to you, and enter that amount on Line 1 of Form D-410.
2. File Form D-410 by the original due date of your tax return. You are not required to send a payment of the tax you estimate as due. However, because an extension of time to file the return does not extend the time for paying the tax, it will benefit you to pay as much as you can.

If you have been granted an extra 4 months to file because you were "out of the country" (explained later) when your return was due, then use this form to ask for an additional 2 months to file.

**Filing Your Tax Return** - You may file the income tax return at any time before the extended due date. Importantly, Form D-410 does not extend the time to pay the tax. Interest plus any applicable penalties will be due on any tax not paid by the original due date.

You can file Form D-410 and pay the tax online. For details, visit [ncdor.gov](http://ncdor.gov) and select "File and Pay."

Use blue or black ink to complete this form.

Do not fold, staple, tape, or paper clip the form.

**Interest** - You will owe interest on tax not paid by the original due date of the return.

**Late Payment Penalty** - If you do not pay all the tax due by the original due date, multiply the tax not paid by 5 percent regardless of how late the tax is paid.

The penalty will apply on any remaining balance due if the tax paid by the original due date of the return is less than 90 percent of the total amount of tax due. If the 90 percent rule is met, any remaining balance due, including interest, must be paid with the income tax return on or before the expiration of the extension period to avoid the late payment penalty.

**Late Filing Penalty** - A penalty is usually charged if your return is filed after the due date (including extensions). It is 5 percent of the net tax due for each month, or part of a month, that your return is late (maximum 25 percent).

If you do not file the application for extension by the original due date of the return, you are subject to both the late filing penalty and the late payment penalty on the net tax due.

Net tax due is the amount of tax required to be shown on the return less any timely payments of the tax and allowable credits.

### **How To Claim Credit For Payments Made With This Form**

When you file your return, include the amount paid with this extension on Line 21b of Form D-400. If you and your spouse each file a separate Form D-410, but file a joint return for the taxable year, enter the total paid with the two Forms D-410 on Line 21b of your return.

If you and your spouse jointly filed Form D-410, but file separate returns for the taxable year, you may enter the total amount paid with Form D-410 on either of your separate returns, or you and your spouse may divide the payment in any agreed amounts. Be sure each separate return has the social security numbers of both spouses.

### **Specific Instructions**

**Name, Address, and Social Security Numbers** - Enter your name, address, and social security number and your spouse's name and social security number if filing a joint return.

**Line 1** - Enter on this line the amount you expect to enter on Line 15 of Form D-400. If you do not expect to owe tax, enter the number zero.

**Line 2** - Enter on this line any North Carolina income tax withheld, estimated tax payments (including any overpayment applied from the previous year), and any other payments and credits you expect to show on your return.

**Out of the Country** - If you were a U. S. citizen or resident and were out of the country on the due date of your return, you are granted an automatic 4-month extension to file your return. You do not have to file this form on April 15. Instead, fill in the "Out of the Country" circle on page 1 of Form D-400 to indicate you were out of the country on April 15. If you need an additional two months to file your return, fill in the circle located at the bottom right of this form and file the form on or before August 15. For this purpose, "Out of the Country" means either (1) you live outside the United States and Puerto Rico, AND your main place of work is outside the United States and Puerto Rico, or (2) you are in military or naval service outside the United States and Puerto Rico.

## Test Question #4

### Facts:

Lester L. (SSN 123-22-4567) and Gladys W. (SSN 234-33-6789) Scruggs were part-year residents of North Carolina for tax year 2024. They became North Carolina residents on July 1, 2024. Mr. Scruggs elects to denote on his North Carolina income tax return that he is a veteran. Mr. and Mrs. Scruggs have two children, James (SSN 444-55-6666) age 14 and Sue (SSN 777-66-3333) age 18 who is a full-time student. They live at 1313 Not Real Lane, Raleigh, North Carolina 27615. This is in Wake County.

Lester received \$25,000.00 in wages from Lockheed Martin earned in Virginia before becoming a North Carolina resident. He received \$55,000.00 in wages from Lockheed Martin earned in North Carolina after becoming a North Carolina resident on or after July 1, 2024 and had \$2,500.00 withheld in North Carolina state income tax. Mr. Scruggs received \$6,000.00 (\$500.00 per month) in his pension from the United States Navy (Bailey Vested) during 2024. Mr. Scruggs received two separate IRA distributions of \$10,000.00 each on April 2, 2024 and September 8, 2024. Mr. Scruggs received interest income each month with a yearly total of \$776.00 from Coastal Federal Credit Union. Mr. Scruggs also sold stock on December 1, 2024, for a capital gain of \$2,500.00. Gladys worked part-time at Dillard's after moving to North Carolina. She earned \$12,000.00 in wages and had \$400.00 withheld in North Carolina state income tax.

Previously, the taxpayers were North Carolina residents in tax year 2013 and claimed a deduction from federal adjusted gross income of \$5,000 for contributions made to an N.C. 529 Plan on their 2013 North Carolina income tax return. In 2024, the taxpayers withdrew \$5,000 from their N.C. 529 Plan on November 1, 2024 and the funds were not used for a purpose allowed under IRC section 529.

The Scruggs did not make any out-of-state purchases during the 2024 tax year. They claimed the standard deduction on their federal income tax return because it was greater than the amount of their eligible federal itemized deductions shown on Federal Schedule A. As a result, the Scruggs must determine if it will be more beneficial to claim the N.C. standard deduction or the allowable N.C. itemized deductions on their North Carolina income tax return. Please complete Mr. and Mrs. Scruggs 2024 North Carolina individual income tax return.
