RE: Percentage of Population and Ad Valorem Levies

Due to the recent legislative change that went into effect October 1, 2008, we have made some changes to our display of Population Percentage and Ad Valorem levies.

Normally, this information is located within our Sales and Use Tax Distribution Report. Due to the change and formatting concerns, we will continue to have this information; however, only in a different format. Attached are all counties and municipalities within the State of North Carolina and their Percentage of Population or Ad Valorem Levies that continue to have the same information that was within the Distribution Report. The information is and will continue to be derived the same way as before.

As we continue to accomplish our goal for dealing with these changes, we will keep you notified of any new changes that may be coming in the future.

Please contact the Distribution Unit at (919) 733-7644 if you have any questions.
