D-403V Partnership Income Payment Voucher

Every partnership doing business in North Carolina must file a partnership income tax return, Form D-403, for the taxable year if a federal partnership return was required to be filed. The partnership tax return is due on or before the 15th day of the fourth month following the close of the income year.

In general, the managing partner of a partnership having one or more nonresident partners is required to pay with the partnership tax return (Form D-403) the amount of tax due for each nonresident partner.

The Department offers an eFile service to partnerships that wish to file and pay North Carolina tax online. If you choose to file electronically, visit www.dornnc.com/electronic/partnership_taxpro.html to access a list of approved eFile providers and products.
