A manufacturer of other tobacco products that has received permission to be relieved of paying the other tobacco products tax under G.S. 105-113.35(d) can designate an integrated wholesale dealer and that integrated wholesale dealer can be relieved of paying the other tobacco products tax. A manufacturer is required to notify the Secretary of any integrated wholesale dealer with whom it is an affiliate when the manufacturer applies to the Secretary for permission to be relieved of paying the other tobacco products tax and when an integrated wholesale dealer becomes an affiliate of the manufacturer who was relieved of paying the tax. The designation is not effective until approved by the Department in writing and can be revoked at any time for failure to comply with G.S. 105-113.35. The Department must be informed in writing of the revocation or requested changes to the designation of the integrated wholesale dealer by the manufacturer.

- 1. Please submit an organizational chart showing affiliation with the manufacturer by the integrated wholesale dealer.
- 2. If a manufacturer as defined in G.S. 105-113.4(6) has not received permission to be relieved of paying the other tobacco products tax pursuant to G.S. 105-113.35(d), then also submit a request in writing stating that you wish to be relieved of paying the other tobacco products tax.
- 3. If the integrated wholesale dealer is not already licensed as a wholesale dealer as required by G.S. 105-113.36, please submit Form B-A-100 with this form.
