

Form E-500L 911 Service Charge Prepaid Wireless Telecommunications Return Instructions

Form E-500L, 911 Service Charge Prepaid Wireless Telecommunications Return, is for use to file and report 911 service charges. A service charge of sixty cents (65¢) is imposed on each retail transaction of prepaid wireless telecommunications service occurring in this State. Monthly returns and remittances of the service charges collected in a month are due by the 20th day of the month following the calendar month covered by the return. Semiannual returns and remittances of the service charges collected in the first six months of a calendar year are due by July 20. Semiannual returns and remittances of the service charges collected in the second six months of a calendar year are due by January 20. A seller may choose either filing frequency.

Line 1 - Number of Retail Transactions: Enter the number of retail transactions of prepaid wireless telecommunications service occurring in this State. Compute the 911 service charge by multiplying the number of transactions entered on Line 1 by the rate of \$0.65 and enter the calculated amount on Line 1 under the column "911 Service Charge."

Line 2 - Administrative Allowance: Multiply the amount on Line 1 under the column "911 Service Charge" by 0.05 and enter the calculated amount on Line 2 under the column "911 Service Charge."

Line 3 - 911 Service Charge Net of Administrative Allowance: Subtract the amount on Line 2 from the amount on Line 1 under the column "911 Service Charge" and enter the difference.

Line 4 - 911 Service Charge Initial Allowance: A seller that collects the 911 service charge for prepaid wireless telecommunications service may retain all service charges collected **only for the first three calendar months** of registration in which sales occur that are subject to the service charge.

Monthly: A seller that selects a monthly filing frequency should enter the amount from Line 3 on Line 4 for the first three monthly returns. Line 5 will reflect \$0.00 due for a seller with a monthly filing frequency for the first three monthly returns. For example, a seller registers to file and pay the 911 service charge monthly beginning July 1. The seller will retain all service charges collected for the months of July, August, and September. For a seller with a monthly filing frequency, Line 4 should be \$0.00 except for returns filed for the first three months.

Semiannual: A seller with a semiannual filing frequency who registers effective July 1 should compute the sum of the service charges due for July, August, and September, multiply that amount due by 95% (0.95), and enter the result on Line 4. Subtract the amount on Line 4 from the amount on Line 3, and enter the difference on Line 5. Line 4 should be \$0.00 for a seller with a semiannual filing frequency for returns filed after the first semiannual period, except for a seller that becomes liable to collect the 911 service charge in the fifth or sixth month of the first semiannual reporting period. In such situations, the seller will be entitled to any additional initial allowance for the third month on the second semiannual return.

Line 5 - Total 911 Service Charge Due on Retail Transactions: Subtract the amount on Line 4 from Line 3 and enter the difference.

Line 6 - Penalty: **If the return is filed after the due date, add the failure to file return penalty** of 5% per month of the 911 service charge shown on Line 5 for each month, or fraction thereof, that the return is filed late. The maximum failure to file return penalty is 25% of the 911 service charge due. **If the 911 service charge was not paid when due, add the failure to pay when due penalty** of 10% of the 911 service charge amount shown on Line 5.

Line 7 - Interest: If the return is filed after the due date of a return, compute interest on the total 911 service charge amount on Line 5 from the time the 911 service charges were due, until paid. See the Department's website for the current interest rate.

Line 8 - Total Due: Enter the total amount due by adding Lines 5, 6, and 7 and pay this amount. Payment must be made in U.S. dollars by check or money order drawn on a U.S. (domestic) bank and payable to the North Carolina Department of Revenue. Do not mail cash, stamps, or post-dated checks with your return.

Additional information may be obtained from the Department's website at www.ncdor.gov. Questions should be directed to the Department at 1-877-252-3052 (toll-free).
