***Refiner
Terminal Operator
Supplier
Distributor
Importer
Exporter
Blender
Fuel Alcohol Provider
Biodiesel Provider
Alternative Fuel Provider
Retailer of Alternative Fuel
Bulk-End User of Alternative Fuel
Kerosene Distributor
Kerosene Supplier
Dyed Diesel Distributor
Transporter***

Who Must Apply

Businesses storing, delivering, or selling fuel in North Carolina may be required to have a license under Chapter 105, Articles 36C, 36D, and Chapter 119, Article 3 of the North Carolina General Statutes. This application must be completed by any person engaging in or conducting business involving fuel in the State of North Carolina who is required to hold one or more of the following licenses: Refiner, Terminal Operator, Supplier, Distributor, Importer, Exporter, Blender, Fuel Alcohol Provider, Biodiesel Provider, Alternative Fuel Provider, Retailer of Alternative Fuel, Bulk End-User of Alternative Fuel, Kerosene Distributor, Kerosene Supplier, Dyed Diesel Distributor, and Transporter.

Important

If this business is a corporation, LLC, LLP, or located in another state or country, the following documents **must be included** with the application before it will be processed:

1. Copy of Articles of Incorporation,
2. LLC or LLP Operating Agreement,
3. Charter, and
4. Certificate of Authority To Do Business

*****Failure to include this documentation with your application will delay the processing of your license.*****

Bonds

The Excise Tax Division will accept surety bonds on GAS-1212, Motor Fuels Tax Liability Bond, executed by any surety company licensed to do business in North Carolina. A bond secured by an irrevocable letter of credit will be accepted provided that it is executed on the Irrevocable Letter of Credit Template, reproduced on the financial institutions letterhead, by a financial institution authorized to do business in North Carolina.

Bond forms are available in the back of this booklet or they may be obtained on the Department's website at www.ncdor.gov.

Electronic Filing Mandate

Effective July 1, 2008 all returns with schedule data information are required to be filed electronically. There are two (2) options for electronic filing: EDI and web. EDI filing is available to taxpayers licensed as a supplier, terminal operator, or transporter. All returns are available to be filed on the Department's website at www.ncdor.gov. Once licensed, an access code letter will be mailed to the licensee to provide access for electronic filing. Contact the Division at edicoordinator@ncdor.gov to file a supplier, terminal operator, or motor fuels transporter return by EDI.

License Types

Refiner means any person who owns, operates or controls a facility used to process crude oil, unfinished oils, natural gas liquids, or other hydrocarbons into motor fuel and from which motor fuel may be removed by pipeline, vessel, or at a rack. In addition, a person who produces more than 6,000,000 gallons of fuel alcohol or biodiesel during a calendar year is classified as a refiner. **A refiner who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** GAS-1207, Motor Fuels Refiner Return, is required to be filed by all refiners and is due by the 22nd day following the end of the month.

A bond in the amount of \$2,000,000 is required to obtain a refiner license.

Terminal Operator means a person who owns, operates or controls a motor fuel storage and distribution facility that has been assigned a terminal control number by the Internal Revenue Service, is supplied by pipeline or marine vessel, and from which motor fuel, jet fuel, or aviation gasoline may be removed at a rack. GAS-1204, Monthly Terminal Operator Return, is required to be filed by all terminal operators and is due by the 22nd day following the end of the month. GAS-1209, Annual Terminal Operator Return, is required to be filed by in-state terminal operators only and is due by February 14th of each year.

A bond in the amount of \$2,000,000 is required to obtain a terminal operator license.

Supplier means a position holder or a person who receives motor fuel pursuant to a two-party exchange and is required to collect and remit tax on motor fuel removed from a terminal/refinery rack. There are three types of supplier licenses: elective, permissive, and in-state only. The applicant is required to identify the license type based on their activity. **A supplier who**

transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter. Gas-1202, Motor Fuels Supplier Return, is required to be filed by all suppliers and is due by the 22nd day following the end of the month.

A bond in the amount of \$2,000,000 is required to obtain a supplier license.

Distributor means a person who acquires motor fuel from a supplier or from another distributor for subsequent sale. This license is optional for distributors who purchase motor fuel in North Carolina for distribution in the State. A distributor who purchases motor fuel from an elective or permissive supplier at an out-of-state terminal for import into North Carolina or purchases motor fuel from an elective or permissive supplier at an in-state terminal for export from North Carolina is required to obtain a distributor license. **A distributor who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** Distributors may file Gas-1239, Bulk Plant Exporter Return, if exports are made from the bulk plant. Gas-1259, Motor Fuels Backup Tax Return, is required to be filed to report all motor fuel that was diverted to a state other than that which appears on the bill of lading. These returns are due by the 22nd day following the end of the month.

A bond in the amount of two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000, is required to obtain a distributor license.

Importer means any person engaged in the practice of importing motor fuel. Motor fuel delivered into North Carolina from out-of-state by or for the seller constitutes an import by the seller. Motor fuel delivered into North Carolina from out-of-state by or for the purchaser constitutes an import by the purchaser. There are three types of importers: Bonded, Occasional and Tank wagon. **A bonded importer** is a person, other than a supplier, who imports motor fuel removed from a terminal located in another state for which that state does not require the seller of the fuel to collect motor fuel tax on the removal either at that state's rate or the rate of the destination state; or the supplier is neither elective nor permissive. An **occasional importer** is any of the following: a distributor that imports motor fuel on an average basis of no more than once a month, a bulk-end user that acquires motor fuel for import from a bulk plant and is not required to be licensed as a bonded importer, or a distributor that imports motor fuel for use in a race car. **A tank wagon importer** is a person who imports, by means of a tank wagon only, motor fuel that is removed from a terminal or a bulk plant located in another state. **An importer who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** Gas-1219, Motor Fuels Importer Return, is required to be filed by all importers. This return is due by the 22nd day following the end of the month for Bonded Importers and Tank Wagon Importers. Occasional Importers must file this return by the 3rd day following the end of the month.

A bond in the amount of two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000, is required to obtain an occasional or tank wagon importer license. A bond in the amount of \$2,000,000 is required to obtain a bonded importer license.

Exporter means any person engaged in the practice of exporting motor fuel. Motor fuel delivered out-of-state by or for the seller constitutes an export by the seller. Motor fuel delivered out-of-state by or for the purchaser constitutes an export by the purchaser. **An exporter who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** There are no reporting requirements for this license type.

There are no bonding requirements for obtaining an exporter license.

Blender means any person who produces a mixture composed of gasoline or diesel fuel and another liquid, other than an additive, that can be used as a fuel in a highway vehicle. The commingling of products during transportation in a pipeline is not considered blending. **A blender who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** Gas-1260, Blender Return, is required to be filed by all blenders and is due by the 22nd day following the end of the month.

A bond is required for a blender license only if the applicant's average expected annual tax liability is at least \$2,000. When a bond is required, the bond amount is two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000.

Fuel Alcohol Provider means a person who either produces an average of no more than 500,000 gallons of fuel alcohol per month during a calendar year, or a person who imports fuel alcohol outside the terminal transfer system by means of a marine vessel, a transport truck, a railroad tank car, or a tank wagon. **A fuel alcohol provider who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** Gas-1264, Fuel Alcohol Provider Return, is required to be filed by all fuel alcohol providers and is due by the 22nd day following the end of the month.

A bond is required for a fuel alcohol provider license only if the applicant's average expected annual tax liability is at least \$2,000. When a bond is required, the bond amount is two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000.

Biodiesel Provider means a person who either produces an average of no more than 500,000 gallons of biodiesel per month during a calendar year, or a person who imports biodiesel outside the terminal transfer system by means of a marine vessel, a transport truck, a railroad tank car, or a tank wagon. **A biodiesel provider who transports any motor fuel for hire by means of a transport truck must also obtain a license as a Motor Fuel Transporter.** Gas-1264, Biodiesel Provider Return, is required to be filed by all biodiesel providers and is due by the 22nd day following the end of the month.

A bond is required for a biodiesel provider license only if the applicant's average expected annual tax liability is at least \$2,000. When a bond is required, the bond amount is two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000.

Alternative Fuel Provider means any person who does one or more of the following:

1. Acquires alternative fuel for sale or delivery to a bulk end user or a retailer;
2. Maintains storage facilities for alternative fuel, part or all of which the person uses or sells to someone other than a bulk end-user or a retailer to operate a highway vehicle;
3. Sells alternative fuel and uses part of the fuel acquired for sale to operate a highway vehicle by means of a fuel supply line from the cargo tank of the vehicle to the engine of the vehicle; or,
4. Imports alternative fuel to this State, by a means other than the usual tank or receptacle connected with the engine of a highway vehicle, for use by that person to operate a highway vehicle.

Gas-1252, Alternative Fuels Provider Return, is required to be filed by all alternative fuel providers and is due by the 22nd day following the end of the month.

A bond in the amount of two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000, is required to obtain an alternative fuel provider license.

Retailer of Alternative Fuel means a person who maintains storage facilities for alternative fuel and who sells the fuel at retail or dispenses the fuel at a retail location to operate a highway vehicle. Gas-1258, Retailer of Alternative Fuels Return, is required to be filed by all retailers of alternative fuel and is due by the last day of the month following the end of the quarter.

A bond is required for a retailer of alternative fuel license only if the applicant intends to store highway and nonhighway alternative fuel in the same storage facility. When a bond is required, the bond amount is two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000.

Bulk End-user of Alternative Fuel means a person who maintains storage facilities for alternative fuel and uses part or all of the stored fuel to operate a highway vehicle. Gas-1254, Bulk End-user of Alternative Fuels Return, is required to be filed by all bulk end-users of alternative fuel and is due by the last day of the month following the end of the quarter.

A bond is required for a bulk end-user of alternative fuel license only if the applicant intends to store highway and nonhighway alternative fuel in the same storage facility. When a bond is required, the bond amount is two times the average monthly motor fuel tax liability, minimum \$2,000 maximum \$500,000.

Kerosene Distributor means any person who acquires kerosene from any of the following licensees for subsequent sale:

1. A supplier required to be licensed under Article 36C,
2. A kerosene supplier, or
3. Another kerosene distributor.

There are no reporting requirements for this license type.

The amount of bond required of a kerosene distributor licensed under G.S. 119-15.1 is based on the kerosene distributor's average monthly taxable sales and use of kerosene in North Carolina as follows:

From	1 to	60,000	gallons per month	\$	500
From	60,001 to	100,000	gallons per month		1,000
From	100,001 to	300,000	gallons per month		2,500
From	300,001 to	600,000	gallons per month		5,000
From	600,001 to	900,000	gallons per month		7,500
From	900,001 to	1,200,000	gallons per month		10,000
From	1,200,001 to	1,500,000	gallons per month		12,500
From	1,500,001 to	1,800,000	gallons per month		15,000
From	1,800,001 to	2,000,000	gallons per month		17,500
From	2,000,001 and over		gallons per month		20,000

Kerosene Supplier means any person who does either of the following:

1. Supplies both kerosene and motor fuel and is required to be licensed under Article 36C, or
2. Maintains storage facilities for kerosene to be used to fuel an airplane and is not required to be licensed as a supplier under Article 36C.

Gas-1288, Kerosene Supplier Return, is required to be filed by all kerosene suppliers and is due by the 22nd day following the end of the month.

The amount of bond required of a kerosene supplier licensed under G.S. 119-15.1 is based on the kerosene supplier's average monthly taxable sales and use of kerosene in North Carolina as follows:

From	1 to	60,000	gallons per month	\$	500
From	60,001 to	100,000	gallons per month		1,000
From	100,001 to	300,000	gallons per month		2,500
From	300,001 to	600,000	gallons per month		5,000
From	600,001 to	900,000	gallons per month		7,500
From	900,001 to	1,200,000	gallons per month		10,000
From	1,200,001 to	1,500,000	gallons per month		12,500
From	1,500,001 to	1,800,000	gallons per month		15,000
From	1,800,001 to	2,000,000	gallons per month		17,500
From	2,000,001 and over		gallons per month		20,000

Dyed Diesel Fuel Distributor means any person who acquires dyed diesel fuel from either of the following:

1. A person who is not required to be licensed under Article 36C and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes, or
2. Another dyed diesel fuel distributor.

Gas-1219, Motor Fuels Importer Return, is required to be filed by all dyed diesel fuel distributors who import dyed diesel fuel into North Carolina. This return is due by the 22nd day following the end of the month and should be reported on a Tank Wagon Importer Return.

The amount of bond required of a dyed diesel fuel distributor licensed under G.S. 119-15.1 is based on the dyed diesel fuel distributor's average monthly taxable sales and use of dyed diesel in North Carolina as follows:

From	1 to	60,000	gallons per month	\$	500
From	60,001 to	100,000	gallons per month		1,000
From	100,001 to	300,000	gallons per month		2,500
From	300,001 to	600,000	gallons per month		5,000
From	600,001 to	900,000	gallons per month		7,500
From	900,001 to	1,200,000	gallons per month		10,000
From	1,200,001 to	1,500,000	gallons per month		12,500
From	1,500,001 to	1,800,000	gallons per month		15,000
From	1,800,001 to	2,000,000	gallons per month		17,500
From	2,000,001 and over		gallons per month		20,000

Transporter means any person who engages in the business of transporting reportable petroleum products for hire by pipeline, marine vessel, railroad tank car, or transport truck. All movements of fuel, whether interstate or intrastate, must be reported. Please note: Transporting reportable petroleum products by means of a tank wagon is not required to be reported on the transporter return. **Gas-1301, Motor Fuels Transporter Return**, is required to be filed by all motor fuel transporters and is due by the 22nd day following the end of the month.

There are no bonding requirements for obtaining a transporter's license.

| 3. Telephone (Residence) _____ | 4. Telephone (Business) _____ |
| 5. Social Security Number [] [] [] - [] [] - [] [] [] [] [] [] | 6. Driver's License Number & State _____ |

I certify that, to the best of my knowledge, the information contained on Lines 1 through 6 is correct.

7. Signature (Recommended for companies not publicly traded) _____

(Fill in applicable circle for title) Vice-President Manager Member Partner Co-Owner

8. Full Name (First, Middle, Last)

9. Residence Address (Street address, City, State, and Zip code)

10. Telephone (Residence)

11. Telephone (Business)

12. Social Security Number

□□□□ - □□ - □□□□□□

13. Driver's License Number & State

(Fill in applicable circle for title) Secretary Manager Member Partner

14. Full Name (First, Middle, Last)

15. Residence Address (Street address, City, State, and Zip code)

16. Telephone (Residence)

17. Telephone (Business)

18. Social Security Number

□□□□ - □□ - □□□□□□

19. Driver's License Number & State

(Fill in applicable circle for title) Treasurer Manager Member Partner

20. Full Name (First, Middle, Last)

21. Residence Address (Street address, City, State, and Zip code)

22. Telephone (Residence)

23. Telephone (Business)

24. Social Security Number

□□□□ - □□ - □□□□□□

25. Driver's License Number & State

26. List full name of directors (Attach additional sheets if necessary.)

Address (Mailing address, City, State, and Zip code)

27. List full name of shareholders with controlling interest in corporation

Address (Mailing address, City, State, and Zip code)

If there are 15 or less shareholders, all shareholders have a controlling interest. If there are more than 15 shareholders, shareholders with 5% or more ownership have a controlling interest.

28. Has the corporation, LLC, LLP, partnership, or any officers, members, controlling shareholders of the corporation or owners of the business been convicted of any felony or misdemeanor involving motor fuels?

Yes No (If yes, please explain.)

29. Name of bank or financial institution that you will use to pay the motor fuel tax:

Name _____ Bank Account Number _____

Street or P.O. Box _____

City _____ State _____ Zip Code _____

Telephone Number _____ Fax Number _____

30. List other business licenses or permits held by the corporation, LLC, partnership, or proprietorship

31. If your business is based in another state, list name, address, telephone number, and fax number of the North Carolina registered agent.

Name _____

Street or P.O. Box _____

City _____ State _____ Zip Code _____

Telephone Number _____ Fax Number _____

32. Indicate the states in which you do business.

33. Date business started in this state for which a license is requested.

□□ / □□ / □□□□

34. Has the corporation, LLC, LLP, partnership, or proprietorship now or in the past conducted any other businesses using a DBA?

Yes No (If yes, please list DBA used.)

35. Does the corporation, LLC, LLP, partnership, or proprietorship own any property in this state?

Yes No (If yes, please describe.)

36. Does any officer, director, member, controlling shareholder, partner, or owner own or control any petroleum business which operates in this state or any other state (e.g., other refiners, suppliers, distributors, transportation company, retail outlets, terminal operations, etc.)?

Yes No (If yes, please explain.)

37. Does any officer, director, member, controlling shareholder, partner, or owner own or control any petroleum transport equipment which operates in this state or any other state?

Yes No (If yes, please explain.)

38. List any current or previous officer, director, member, controlling shareholder, partner, or owner of any entity who holds or has held, within the last seven years, a North Carolina motor fuel license.

Please provide the information requested to the right for each person listed.

State	Account Number	Relationship to account holder
-------	----------------	--------------------------------

39. If business was acquired, from whom was it acquired?

List type of fuel and number of gallons in the storage tanks at the time of purchase. (Attach additional sheets if necessary.)

Propane	<input type="text"/>	Aviation Gasoline	<input type="text"/>	Low Sulfur Dyed Diesel	<input type="text"/>
Gasoline	<input type="text"/>	Jet Fuel	<input type="text"/>	Undyed Biodiesel	<input type="text"/>
Dyed Kerosene	<input type="text"/>	Undyed Kerosene	<input type="text"/>	Dyed Biodiesel	<input type="text"/>
Fuel Alcohol	<input type="text"/>	Low Sulfur Diesel	<input type="text"/>		
Gasohol	<input type="text"/>	High Sulfur Dyed Diesel	<input type="text"/>		

Part 3. Business Operations Information

List the type(s) of license for which you are applying. Complete the section(s) below for license type(s) requested. (See instructions.)

Refiner License

List Federal 637 Number:

- Yes No 1. Do you have any petroleum product refining capabilities? List each state. _____
2. List the locations of all refineries in North Carolina from which you intend to refine petroleum products. (Attach additional sheets if necessary.)

3. Estimated monthly gallons of refined petroleum products disbursed from in-state refineries only.
- | | | | | | |
|--------------------|----------------------|-------------------|----------------------|------------------|----------------------|

Supplier Election (Tax at the Rack)

Suppliers may elect to collect North Carolina's excise tax on imported fuel from out-of-state terminals. Once this election is made, suppliers must collect excise taxes on all reportable petroleum products removed from out-of-state terminals which reflect North Carolina as the destination state on the shipping documents.

31. Indicate the type of supplier license you are requesting.
- Elective Supplier** is required to be licensed in North Carolina and elects to collect motor fuel excise tax on fuel imported from out-of-state terminals that have North Carolina as its destination.
 - Permissive Supplier** is an out-of-state supplier that is not required to be licensed in North Carolina but elects to be licensed and collect motor fuel excise tax on fuel imported from out-of-state terminals that have North Carolina as its destination.
 - In-State Only Supplier** is required to be licensed in North Carolina but does not elect to collect motor fuel excise tax on fuel imported from out-of-state terminals that have North Carolina as its destination.

Distributor License

List Federal 637 Number (If applicable):

Alternative Fuel Provider License

List Federal 637 Number (If applicable):

Yes No 119. Do you own trucks that use alternative fuel from the cargo tank of the truck to propel the truck?
120. How many trucks do you own that use alternative fuel from the cargo tank to propel the truck? _____

Yes No 121. Do you maintain bulk storage facilities for alternative fuel in North Carolina?
122. Where is your bulk storage located? _____

123. Fuel Storage Capacity: Above Ground _____ Below Ground _____

124. If no bulk storage facility is owned, explain storage arrangements. _____

Yes No 125. Do you plan to import alternative fuel into North Carolina?

126. Indicate the type of petroleum products imported into North Carolina.

Compressed Natural Gas Propane Other - Describe _____

127. Indicate the means of transport for this imported product.

Seagoing Vessel/Barge Transport Truck Tank Wagon
 Pipeline Railroad Tank Car Other - Describe _____

128. List the states from which you import alternative fuel and your license number in those states. (Attach additional sheets if necessary.)

129. Estimate the number of taxable gallons that will be sold or used in North Carolina during an average month. (Biodiesel is not an alternative fuel and should not be included in this estimate.)

Compressed Natural Gas Propane Other

Yes No 130. Do you plan to export alternative fuel out of North Carolina?

131. Indicate the type of petroleum products exported from North Carolina. (Biodiesel is not an alternative fuel and should not be listed below.)

Compressed Natural Gas Propane Other - Describe _____

132. Indicate the means of transport for this exported product.

Seagoing Vessel/Barge Transport Truck Tank Wagon
 Pipeline Railroad Tank Car Other - Describe _____

133. List the destination states for exported alternative fuel and your license number in those states. (Attach additional sheets if necessary.)

Yes No 134. Are you a shipper of record on one of the commercial pipelines serving North Carolina?

135. What other types of operations will you be engaged in?

Exchanges Direct shipments Other - Describe _____
 Sales on consignment Sell petroleum products
 Operate service stations Trade petroleum products

Retailer of Alternative Fuel License

List Federal 637 Number (If applicable):

Yes No 136. Do you store both highway and nonhighway alternative fuel in the same storage tank?

137. Fuel Storage Capacity: Above Ground _____ Below Ground _____

138. Estimate the number of taxable gallons that will be sold in this state during an average month.

Compressed Natural Gas Propane Other

139. List the states from which alternative fuel is imported. _____

Bulk-end User of Alternative Fuels License

Yes No 140. Do you store both highway and nonhighway alternative fuel in the same storage tank?

141. Estimate the number of taxable gallons that will be used in North Carolina during an average month.

Compressed Natural Gas Propane Other

142. List all bulk storage locations for alternative fuel. (Attach additional sheets if necessary.)

Location	Fuel Type	Tank Capacity	Highway Use	Nonhighway Use	Common Storage

Kerosene Distributor License

Yes No 143. Do you maintain bulk storage facilities in North Carolina?

144. Where is your bulk storage located? _____

145. Fuel Storage Capacity: Above Ground _____ Below Ground _____

146. If no bulk storage facility is owned, explain storage arrangements. _____

Yes No 147. Do you plan to import kerosene into North Carolina?

148. Indicate the type of kerosene imported into North Carolina.

Undyed Kerosene Dyed Kerosene

149. Indicate the means of transport for this imported product.

Seagoing Vessel/Barge Transport Truck Tank Wagon
 Pipeline Railroad Tank Car Other - Describe _____

150. List the states from which you import kerosene and your license number in those states. (Attach additional sheets if necessary.)

151. Estimate the number of taxable gallons that will be sold or used in North Carolina during an average month.

Undyed Kerosene Dyed Kerosene

Yes No 152. Do you plan to export kerosene out of North Carolina?

153. Indicate the type of kerosene exported from North Carolina.

Undyed Kerosene Dyed Kerosene

154. Indicate the means of transport for this exported product.

Seagoing Vessel/Barge Transport Truck Tank Wagon
 Pipeline Railroad Tank Car Other - Describe _____

155. List the destination states for exported kerosene and your license number in those states. (Attach additional sheets if necessary.)

Kerosene Supplier License

List Federal 637 Number (If applicable):

- Yes No 156. Do you maintain bulk storage facilities in North Carolina?
- 157. Where is your bulk storage located? _____
- 158. Fuel Storage Capacity: Above Ground _____ Below Ground _____
- 159. If no bulk storage facility is owned, explain storage arrangements. _____

Motor Fuel and Alternative Fuel Surety Bond

BOND NO. _____

_____, (“Principal”) and _____, (“Surety”), authorized to engage in business as a surety in the State of North Carolina, are obligated to the State of North Carolina in the sum of USD _____ (US\$ _____). We jointly and severally obligate heirs, executors, administrators, successors, and assigns for the payment of this amount.

Principal is engaged or intends to engage in activities where the Secretary of Revenue of the State of North Carolina is requiring a bond in accordance with Articles 36B, 36C, or 36D of Chapter 105, or Article 3 of Chapter 119 of the North Carolina General Statutes.

The terms for this bond are as follows:

- Principal shall file reports, pay all taxes, and otherwise comply with all applicable laws, rules, and regulations relating to licensed activities for the sale, use, and distribution of motor fuels and alternative fuels in the State of North Carolina. This includes but is not limited to liability incurred under Articles 9, 36B, 36C, or 36D of Chapter 105, or Article 3 of Chapter 119 of the North Carolina General Statutes.
- The bond is continuing and effective for acts or omissions occurring on or after the _____ day of _____, 20_____.
- Surety may be released from future liability when Principal or Surety provide at least sixty (60) days’ written notice by certified mail to the State of North Carolina, through its agent, the Secretary of Revenue at the following address: ATTN: Excise Division, Licensing and Bonding Unit, P.O. Box 25000, Raleigh, NC 27640. If the notice is given by an agent of Surety, the notice must be accompanied by a power of attorney. Surety is not released from any liability which accrues before Surety is released, regardless of when the liability is discovered. Notice, as provided for in this paragraph, is a condition precedent to the release of liability under this bond, and any attempted cancellation inconsistent with this paragraph is void, and this bond remains in effect.
- If Principal or Surety fail to fulfill any term of this bond, the State of North Carolina may make a claim on the bond and pursue all available remedies.

Signed, sealed, and delivered this _____ day of _____, 20_____.

Re: Irrevocable Letter of Credit No.: _____

Beneficiary: North Carolina Department of Revenue

Principal: [Name of Principal]
[Address of Principal]
[Other information Concerning the Principal, Optional]

Tax Type: _____

Coverage Period: Effective Date _____

Expiration Date* _____
(No sooner than 365 days after the "Effective Date")

***Also, Subject to Any Extended Expiration Date(s)**

Liability Release Date*: _____
(Calculate by using three years after the expiration date.)

***Also, Subject to Any Extended Liability Release Date(s)**

Credit Amount: _____

At the request of and for the account of _____
("Principal"), we hereby issue this Irrevocable Letter of Credit No. _____
("Letter of Credit") in favor of the North Carolina
Department of Revenue ("Beneficiary").

The amount of this Letter of Credit is _____ U.S.
Dollars (\$ _____) (the "Credit Amount"). You shall be entitled to draw,
pursuant to this Letter of Credit, amounts not exceeding, in the aggregate, the
Credit Amount.

This Letter of Credit is issued with the purpose of protecting the Beneficiary against any noncompliance of the Principal with the requirements of Subchapters I or V of Chapter 105 of the North Carolina General Statutes, including but not limited to Article 2A, Article 2C, Article 5I, Articles 36B, 36C, or 36D, and the authority of Chapter 119 of the North Carolina General Statutes, including but not limited to Article 3, as these statutes may be from time to time amended, modified, recodified, or otherwise rewritten.

This Letter of Credit covers acts, omissions, and liabilities of the Principal under the above-listed North Carolina General Statutes for a term which begins with _____ (“Effective Date”) and ends with _____ (“Expiration Date”), the total term of which is the period covered by this Letter of Credit (the “Coverage Period”). We are obligated for all acts, omissions, and liabilities owed by the Principal to the Beneficiary during the Coverage Period.

It is a condition of this Letter of Credit that the Expiration Date shall be automatically extended, without amendments, for successive one-year periods from the Expiration Date, unless at least 90 days prior to the then applicable Expiration Date, the Beneficiary receives notification in writing from us, which notification shall be sent by registered mail or overnight courier, that we elect not to renew this Letter of Credit for an additional period. An automatic extension of this Letter of Credit shall result in a new Expiration Date which shall be known as the Extended Expiration Date. The most recent Expiration Date or Extended Expiration Date shall be the date through which this Letter of Credit is authorized. A decision not to renew this Letter of Credit shall not relieve, release, or discharge us from any obligations under this Letter of Credit.

It is a condition of this Letter of Credit that we shall not be released from any obligations or liabilities under this Letter of Credit until three years after the Expiration Date or Extended Expiration Date, whichever date is later, or within 90 days after a proposed assessment based on a final audit of the Principal’s records has been issued by the Beneficiary, whichever occurs first (“Liability Release Date”). If the Liability Release Date is not a date on which we are open for business, then the Liability Release Date shall be the next day on which we are open for business.

We hereby agree with the Beneficiary that we shall honor, at sight, a presentation made by you to us of the following documents:

1. Original Letter of Credit (including any amendments); and
2. A demand using the form attached hereto and denoted as “Exhibit A” or a document which provides the same information as “Exhibit A.”

Such documents must be delivered to us in person, by overnight courier, or by facsimile no later than 5:00 p.m. on the Liability Release Date of this Letter of Credit. Presentation is to be made to:

[Name of Issuing Bank]
[Address of Bank]
[Any Other Information, Optional]

In lieu of presenting the physical documents required for presentation under the terms of this Letter of Credit, the Beneficiary may choose to make a presentation under this Letter of Credit entirely by facsimile transmission. Such transmission shall be made on a business day by simultaneously providing telephone advice to the Bank's office and transmitting the documents by facsimile to the following numbers:

Telephone Number: _____

Fax Number: _____

[Any Additional Instructions, Optional]

On the day of such presentment by facsimile transmission, the Beneficiary shall immediately send to us the originals of the faxed documents by overnight mail or courier service to the bank's office address as above specified. However, we will determine to honor or dishonor any such facsimile presentation purely on the basis of our examination of such facsimile presentation, and will not examine the originals.

If a draft is presented at or prior to 11:00 a.m. on a day on which we are open for business, payment of the amount drawn shall be made by 4:00 p.m. on the same day. If a draft is presented after 11:00 a.m. on a day on which we are open for business, payment of the amount drawn shall be made by 11:00 a.m. on the next day on which we are open for business. All payments by us will be in immediately available funds. Payment may be made by wire transfer of immediately available funds to the account specified by you, or by deposit in a designated account you maintain with us.

We shall accept demand by you with the terms of this Letter of Credit on its face, and we shall have no duty, responsibility, or liability to the Principal with respect to the underlying validity of said demand.

It is a condition of this Letter of Credit that this document is an irrevocable letter of credit that cannot be modified or revoked without the written consent of the Beneficiary.

It is a condition of this Letter of Credit that any banking or other charges from this Letter of Credit are to be borne by the Principal and not by the Beneficiary.

This Letter of Credit is subject to the Uniform Customs and Practice for Documentary Credits (2007 Revision), International Chamber of Commerce, Publication No. 600 (The "UCP").

This Letter of Credit shall be governed by the laws of the State of North Carolina.

Sincerely,

[Name of Issuing Bank]
