D-403V Partnership Income Payment Voucher

Every partnership doing business in North Carolina must file a partnership income tax return, Form D-403, for the taxable year if a federal partnership return was required to be filed. The partnership tax return is due on or before the 15th day of the fourth month following the close of the income year.

In general, the managing partner of a partnership having one or more nonresident partners is required to pay with the partnership tax return (Form D-403) the amount of tax due for each nonresident partner.

The Department offers an eFile service that allows Partnerships to file and pay North Carolina tax online. If you choose to file and pay electronically, visit www.ncdor.gov and search for "partnership efile." Benefits of filing and paying taxes using eFile software, include:

- Ability to file and pay State and federal at the same time
- Accurate, secure, convenient
- Schedule payments in advance
- Pay by bank draft with no convenience fee
- Confirmation that your return and payment have been received

Important: If you eFile your Partnership return and elect not to pay electronically, complete the voucher below. Staple your payment to the top left corner of the voucher. Send the voucher and payment to the address listed below.

If you elect to file your partnership return by mail, staple your payment to your return (do not use this voucher) and mail your return and payment to the address listed below.

Submit this form in its entirety. Do not separate the voucher from the rest of the form.
