

NC-478G - Investing in Renewable Energy Property

The credit for investing in nonbusiness property is not taken in installments but is taken in the tax year the renewable energy property is placed in service. For all other property, the credit is taken in five equal installments beginning with the tax year the property is placed in service. Any unused portion of either credit may be carried forward for five succeeding years. **Important. You can not claim the credit for investing in renewable energy property if you claimed any other credit allowed in Chapter 105 of the North Carolina revenue laws with respect to the same property.**

The following instructions for completing Part 1 through Part 5 of NC-478G apply to individuals, S corporations claiming the credit against franchise tax, and C corporations. Partnerships, S corporations claiming the credit against income tax, and other pass-through entities, see the specific instructions for pass-through entities located after the instructions for Part 5.

Part 1. Qualifying Information. *(The information requested in Part 1 is for a single establishment at which renewable energy property is constructed, purchased, or leased and placed in service in North Carolina during tax year 2010. If you invested in renewable energy property at more than one establishment in 2010, complete a separate NC-478G for each establishment.)*

Type of Renewable Energy Property. Fill in all applicable circles related to the type of renewable energy property constructed, purchased, or leased and placed in service at this establishment during 2010.

Type of Purpose Served. Fill in the applicable circle related to the purpose served at the property constructed, purchased, or leased and placed in service at this establishment in 2010.

Address and County Where Property is Placed in Service. Enter the address and county in which an investment in renewable energy property was made during tax year 2010.

Part 2. Computation of Credit Amount for Investing in Nonbusiness Property in 2010. *(The information requested in Part 2 is for a single establishment at which renewable energy property is constructed, purchased, or leased and placed in service in North Carolina during 2010. If you invested in renewable energy property at more than one establishment in 2010, complete a separate NC-478G for each establishment.)*

Line 1. Enter the cost of renewable energy property constructed, purchased, or leased and placed in service in North Carolina in 2010 for a nonbusiness purpose.

Line 2. Multiply Line 1 by 35%.

Line 3. Enter the maximum credit for the applicable type of nonbusiness renewable energy property constructed, purchased, or leased and placed in service in 2010. The maximum credit is:

- \$1,400 per dwelling for solar energy equipment for domestic water heating
- \$3,500 per dwelling for solar energy equipment for active or passive heating or combined domestic water heating and space heating
- \$8,400 for each installation of geothermal equipment

- \$10,500 for each installation of any other renewable energy property

Line 4. Enter the lesser of Line 2 or Line 3. **This is the amount of credit for investing in nonbusiness renewable energy property in North Carolina in 2010.**

Part 3. Computation of Credit Amount for Investing in Property Serving a Business Purpose in 2010. *(The information requested in Part 3 is for a single establishment at which renewable energy property is constructed, purchased, or leased and placed in service in North Carolina during 2010. If you invested in renewable energy property at more than one establishment in 2010, complete a separate NC-478G for each establishment.)*

Line 5. Enter the cost of renewable energy property constructed, purchased, or leased and placed in service in North Carolina in 2010 for a business purpose.

Line 6. Multiply Line 5 by 35%.

Line 7. Enter the maximum credit for the applicable type of renewable energy property constructed, purchased, or leased and placed in service in 2010 for business purposes. The maximum credit for each installation of renewable energy property that serves a business purpose is \$2,500,000.

Line 8. Enter the lesser of Line 6 or Line 7. **This is the amount of credit for investing in renewable energy property serving a business purpose in North Carolina in 2010.** The total credit amount for investing in business property in 2010 for **ALL** establishments must also be entered in the Credit History Table. *(See Part 5, 2010 Column, Credit Amount)*

Line 9. Divide Line 8 by the number 5. This is the eligible installment amount for this establishment to be taken starting in tax year 2010.

Part 4. Computation of Amount To Be Taken in 2010. *(The information requested for Part 4 is a cumulative total for all establishments and should be entered only once on the last NC-478G filed.)*

Line 10. Enter the amount of nonbusiness credit for 2010. *(From Part 2, Line 4)*

Line 11. Enter the 2010 installment amount for investing in business property. *(From Part 3, Line 9)*

Line 12. Enter the 2009 installment amount for investing in business property. *(From 2009 NC-478G, Part 3, Line 9)*

Line 13. Enter the 2008 installment amount for investing in business property. *(From 2008 NC-478G, Part 3, Line 9)*

Line 14. Enter the 2007 installment amount for investing in business property. *(From 2007 NC-478G, Part 3, Line 9)*

Line 15. Enter the 2006 installment amount for investing in business property. *(From 2006 NC-478G, Part 3, Line 9)*

Line 16. Enter the portion of nonbusiness credit not taken for tax years 2005 - 2009 or installments for business credits not taken for tax years 2000 - 2009.

Line 17. Add Lines 10 through 16. **This is the amount of credit**

to take in 2010 for renewable energy property. (Carry amount to Line 7 of NC-478)

Part 5. Renewable Energy Property for Business Purposes Credit History Table. (The information requested for Part 5 is a cumulative total for all establishments and should be entered only once on the last NC-478G filed. The installment portion of Credit History Table can not be completed in its entirety until after completing Part 3 of NC-478.)

Credit Amount In the 2010 column, enter the total credit amount for investing in business property in 2010. (From Part 3, Line 8.) In the 2006 through 2010 columns, enter the total credit amount as calculated on the prior year's NC-478G.

Installments In the 2006 through 2010 columns, enter the amount of installment actually taken in each tax year. The amount of installment taken includes the amount of each year's installment utilized during the tax year plus any unused portion of a prior year's carryforward taken in that tax year. (For more information on the Credit History Table, see the detailed example.)

Carryforwards Taken If any portion of a prior year's installment is taken in tax year 2010, enter the amount in the applicable column. (**Important.** Carryforwards taken do not include the amount of current year's installment taken. Carryforwards taken should only be entered if in 2010 a portion of a prior year's installment is utilized.)

Carryforwards To Take In Future If the current year's installment is not fully utilized in tax year 2010, enter the amount not taken as a carryforward to take in the future. (**Important.** Carryforwards to take in the future do not include

eligible installments to be taken in future years. Carryforwards to take in the future should only be entered if in 2010 a portion of a current year's installment can not be utilized due to the 50% of tax limitation.)

Expired Installments

If an installment expires, enter the amount of expired credit in the applicable column. Generally, a credit for investing in renewable energy property expires if the property is disposed of, taken out of service, or moved out of North Carolina prior to the end of the five-year period in which the credit is claimed. (For a detailed example on how to calculate the amount of expired installment, see the "Guidelines for Article 3A Tax Credits" available from the Department's website.)

Pass-through entities. S corporations claiming the credit against income tax complete Parts 1 through 3 as one taxpayer, then allocate the amount from Part 2, Line 4 or Part 3, Line 9 among the shareholders. Complete Parts 4 and 5 by including the amounts allocated to those nonresident shareholders on whose behalf a composite return is being filed. On Part 4, Line 16, include only the carryforwards for those nonresident shareholders on whose behalf a composite return is filed in both the prior year and the current year. **Partnerships** complete Parts 1 through 3 as one taxpayer, then allocate the amount from Part 2, Line 4 or Part 3, Line 9 among the partners. Complete Parts 4 and 5 by including the amounts allocated to those nonresident partners on whose behalf the managing partner pays the tax. On Part 4, Line 16, include only the carryforwards for those nonresident partners on whose behalf the partnership pays tax in both the prior year and the current year. **Trusts and estates** complete Parts 1 through 3 as one taxpayer, then allocate the amount from Part 2, Line 4 or Part 3, Line 9 among the fiduciary and the beneficiaries. Complete Parts 4 and 5 by including only the amount that is allocated to the fiduciary.
