C-Corporations that take income tax credits must reduce the amount of credit in accordance with G. S. 105-130.5(a)(10). This adjustment decreases the total credits taken from the amount shown above by \$1,057,532.

Source: Revenue Research Section, Financial Services Division, NC Department of Revenue

Note: A zero in the spending column indicates that the taxpayer's expenses were incurred in a prior year or that they were not reported.

Procedural Notes: Information from taxpayer returns, including taxpayer errors and omissions, is shown as reported. All returns are subject to audit.
