<b>Total Credits Taken</b>	<b>1,175,802</b>	<b>164,827,708</b>

C-Corporations that take income tax credits must reduce the amount of credit in accordance with G. S. 105-130.5(a) (10). This adjustment decreases the total credits taken from the amount shown above by \$827,784.

A “0” in the spending column indicates that the taxpayer’s expenses have been incurred and reported in a prior year or that they were not reported.

**Procedural Notes:**

**Information from taxpayer returns, including taxpayer errors and omissions, is shown as reported.**

**All returns are subject to audit.**

**Amounts for any one taxpayer may reflect credits taken in multiple years.**

**Affiliated taxpayers are reported individually.**

**A negative value may occur when an amount has been amended downward and the higher amount has been previously reported.**
