Total Credits Taken	9,089,360	812,415

Procedural Notes:

Information from taxpayer returns, including taxpayer errors and omissions, is shown as reported. All returns are subject to audit.

When determining the amount of Article 3L credits taken, other tax credits not limited to 50% of tax liability are subtracted before Article 3L credits.

A “0” in the expenses column indicates that the expenses have been reported in a prior year.
