

MONTHLY REPORT OF STATE SALES AND USE TAX GROSS COLLECTIONS AND GROSS RETAIL SALES

Data are compiled from reports and remittances made by taxpayers, and are classified according to sales and use tax registration numbers. Detail data from this report may not be directly comparable to that in reports for other months because of corrections in registration numbers affecting collections and gross retail sales within the business, county, and city classifications, and changes in the sales and use tax law. NO county sales and use taxes are included in this report.

TABLE 1. STATE SALES AND USE TAX: GROSS COLLECTIONS AND GROSS RETAIL SALES BY COUNTIES

February 2005 Report

County	Gross Collections*	Gross Retail Sales**	County	Gross Collections*	Gross Retail Sales**

* Gross collections reported during the month of February 2005 including collections of penalties, interest, and sales and use tax.

** Amounts shown are total taxable and nontaxable sales reported on sales and use tax returns. Data reflect sales in January 2005.

*** Sales not tabulated.

Monthly sales and use tax reports are not comparable to monthly reports for periods prior to February 2002. Effective October 16, 2001, the general state sales and use tax rate increased from 4% to 4.5%, requiring changes to the return. Prior to the change, use taxes were separately stated and taxable sales were not calculated for use taxes. The new return combines sales and use taxes, and taxable sales are computed on the total. Therefore, gross collections reflect the 1/2% tax rate increase, and gross retail sales reflect taxable sales computed on the combined total of sales and use taxes.

* Gross collections reported during the month of February 2005 including collections of penalties, interest, and sales and use tax.

** Amounts shown are total taxable and nontaxable sales reported on sales and use tax returns. Data reflect sales in January 2005.

*** Sales not tabulated.

Monthly sales and use tax reports are not comparable to monthly reports for periods prior to February 2002. Effective October 16, 2001, the general state sales and use tax rate increased from 4% to 4.5%, requiring changes to the return. Prior to the change, use taxes were separately stated and taxable sales were not calculated for use taxes. The new return combines sales and use taxes, and taxable sales are computed on the total. Therefore, gross collections reflect the 1/2% tax rate increase, and gross retail sales reflect taxable sales computed on the combined total of sales and use taxes.
