MEMORANDUM

TO: North Carolina County and Municipality Managers and Finance Officers

FROM: David B. Baker  
Director, Local Government Division

SUBJECT: Solid Waste Disposal Tax Distribution

For fiscal year 2009-2010, it was recently discovered that the populations for Shallotte, Southport, St. James and Sandy Creek were incorrect for this fiscal year.

The Solid Waste Disposal Tax Distributions have been computed again and we are reflecting corrected distributions for fiscal year 2009-2010. For the distribution that will post on February 15, 2011, we have corrected the monies for each municipality. This correction will reflect an increase or decrease in the amount of distribution that you would have originally received. If money was not taken from your municipality due to your eligibility status in fiscal year 2009-2010 and 2010-2011, we will correct the monies from your municipality when your eligibility status changes.

The revised distributions for fiscal year 2009-2010 will be posted to our website. Also on our website will be a spreadsheet that shows how this affected your municipality. These corrections will have no impact on the amounts received by the counties. Please visit our website at: <http://www.dor.state.nc.us/publications/reimbursement.html>

We apologize for any inconvenience or issue this error may have caused. We will be taking the necessary steps to prevent this type of error in the future as we continue to review our processes and look for opportunities to improve our services to all Local Governments.

If you have any questions, please contact the Distribution Unit at (919) 733-7644.
