* Valuation of public service companies subject to appraisal by the Property Tax Section.

Information compiled from property tax assessed valuation data provided by the NCDOR Local Government Division.

The above presentation incorporates revised valuations and may differ from alternative previously compiled public service company valuation data for 2012.

System valuation means the real property and tangible personal property used by a public service company in its public service activities.

Non-system valuation means the real and personal property owned by a public service company but not used in its public service activities.

¹ Airline Companies, Busline Companies, and Motor Freight Companies. System valuation and total valuation are the same in all 100 counties.
