*Amounts shown for local government distribution allocation represent amounts placed in reserve during the fiscal year designated and are the computed local government shares based on net collections for the preceding 12-month period ending March 31 of the indicated fiscal year.

Enactment of House Bill #2377 (Chapter 813, 1989 Session Laws) temporarily abolished the requirement to maintain a reserve account for distributing the local government share of beverage tax collections. Beginning with fiscal year 1990-91, an appropriation was established. Effective July 1, 1995, the provision of funds for the allocation changed from an annual appropriation based on the preceding 12-month period ending September 30 to a distribution based on the preceding 12-month period ending March 31 of each year.

**The local distribution allocation amount for 2001-02, \$26,690,051, was not distributed to local governments, but was instead transferred to a special reserve fund created by the Governor pursuant to Executive Order dated February 1, 2002; the State retained this allocation to partially offset the budgetary shortfall situation.

+Department of Commerce transfer (G.S.105-113.81A):

Net proceeds of the excise taxes collected on unfortified and fortified wine bottled in the State [not to exceed \$500,000 annually] are required to be credited to the Department of Commerce to be allocated to the North Carolina Wine and Grape Growers Council to promote the North Carolina grape and wine industry and to contract for research and development services to improve viticultural and enological practices in the State. Statutory provisions of the allocation in terms of amount and designation have been periodically adjusted since the enactment of the transfer in 1987 when the annual allocation was capped at \$90,000.

[Effective July 1, 2007, S.L. 06-227 amended this statute to provide that \$200,000 of the net proceeds of the excise tax collected on unfortified wine be transferred to the Department of Commerce each quarter.]
