Detail may not add to totals due to rounding. State license taxes were repealed effective May 1, 1999. Collections after this date are delayed payments.

Net collection amounts of fortified and unfortified wine excise taxes are after deduction of refunds and before deductions of local share reserves and transfers to Department of Agriculture and Consumer Services.

Legislative changes affecting local share allocation and method of funding payments:

Amounts shown for local share reserve are the computed local government shares based on net collections for the preceding 12-month period ending March 31 of the indicated fiscal year; the State share reflects the amount of collections transferred to the General Fund for the indicated fiscal year.

On June 21, 1990, the General Assembly enacted HB 2377 (Chapter 813, 1989 Session Laws) which provided for an *appropriation* of monies to fund the distribution of the local government share of beverage taxes, alleviating the necessity for the maintenance of a special reserve account, thereby channeling the "reserve" funds into the General Fund.

The 1993 General Assembly rewrote G.S. 105-113.82 converting the annual *appropriation* of a portion of the net excise taxes collected on the sale of wine during the preceding 12-month period ending September 30 of each year to an annual *distribution* based on sales for the preceding 12-month period ending March 31 of each year. Legislation became effective July 1, 1995.

Sales tax rate changes:

The sale price of fortified wine includes state and local sales taxes. (G.S. 18B-804)

Effective July 16, 1991, the state general sales tax rate increased from 3% to 4%; effective October 16, 2001, the rate increased from 4% to 4.5%. Local rate not shown.

Fortified/unfortified wine definitions effective October 1, 2004:

*Fortified wine* is wine having an alcoholic content of more than 16% with a maximum content of 24%; under prior law, wine was considered to be fortified if any amount of brandy had been added.

*Unfortified wine* can have brandy added to it as long as the final product does not have alcoholic content of more than 16%; under prior law, unfortified wine could not have any brandy added.

Alcoholic beverage discount:

Effective for reporting periods beginning on or after August 1, 2004, G.S. 105-113.85 was reenacted to reinstate a discount to wholesalers or importers who both timely file the monthly alcoholic beverage tax report and timely pay the tax due. The discount is 2%. [The discount under prior law was 4% and had been repealed effective for reporting periods beginning on or after August 1, 2003.]
