Note: Gross receipts of electric power companies derived from furnishing power, electricity, electric lights, or current are also subject to the franchise tax. (Refer to Table 17A.)

*HB 787 (SL 2005-433, s.10(a)) authorized counties meeting certain requirements to receive a share of the distributable proceeds of utility franchise tax, piped natural gas excise tax, and telecommunications tax. Previously, only municipal governments participated in the distribution. An eligible county must contain either no incorporated areas or one incorporated municipality consisting of less than 100 acres within the county with land area primarily located in another county.
