Detail may not add to totals due to rounding.

The table reflects amounts actually paid to local governments; amounts are shown by year in which received by local governments. Allocated amounts retained by the State to be deposited into special funds or due to budgetary shortfall are excluded.

The municipal shares of the gasoline tax revenues are distributed as appropriations from the State Highway Fund.

For fiscal years 1990-91 through 1994-95, the county and municipal shares of intangibles tax, beer and wine excise taxes, and utility franchise tax were distributed as appropriations from the State General Fund.

a Amounts shown for intangibles tax do not include special allocations to local governments to replace local revenue lost. These amounts are detailed in Table 58.

b Amount shown for 1990-91 is after reduction of \$79,470 retained by the State due to a projected shortfall for the fiscal year.

c In addition to the 1 3/4 cents per gallon share of the motor fuels tax revenue, municipalities began receiving an annual amount equal to 6.5 percent of certain revenues in the Highway Trust Fund. This amount is distributed along with the Powell Bill monies, and is also an appropriation from the Highway Fund.

d Amounts distributed to local governments were frozen at the level of distribution during 1990-91. The distributions are based on the following periods: intangibles tax collections made during fiscal year 1989-90; collections of beer and wine taxes during the period October 1, 1989, through September 30, 1990; and utility franchise tax collections on taxable gross receipts of companies during the period April 1, 1990, through March 31, 1991.

e Amounts shown for 1991-92 are after a total reduction of \$6.6 million transferred to the Clean Water Revolving Loan and Grant Fund as required by Chapter 761 of the 1991 Session Laws. Utility franchise tax was reduced by \$5 million; beer and wine excise taxes were reduced by \$1.6 million (\$666,790 from the county share and \$933,210 from the municipal share).

f Amounts shown for 1992-93 are after a total reduction of \$4.4 million transferred to the Clean Water Revolving Loan and Grant Fund as required by Chapter 1044 of the 1992 Session Laws. Utility franchise tax was reduced by \$3.3 million; beer and wine excise taxes were reduced by \$1.1 million (\$452,529 from the county share and \$647,471 from the municipal share).

g Intangibles tax was repealed effective for taxable years beginning on or after January 1, 1995.

h Local governments did not receive an allocation for beer and wine excise taxes as the funds were retained by the State due to budgetary shortfall. The allocated amounts retained by the State included the county share of \$10,141,027 and the municipal share of \$16,637,645. Municipalities received only \$96,915,830 of the \$178,065,964 proceeds of utility franchise tax as two quarters of distributions were retained by the State due to budgetary shortfall.

i The telecommunications tax became effective January 1, 2002; the distribution amount shown was based on tax collections for less than a full year due to the date of implementation.
