1990-91

Effective July 1, 1990, the enactment of Chapter 584 (HB512) amended numerous provisions of the privilege license tax schedule for the purposes of tax simplification and increasing revenues: ten license tax sections were consolidated under G.S. 105-102.5 providing for an annual \$50 general business privilege license tax; fourteen tax sections were rewritten to provide for a flat rate license tax instead of being based on population; and ten license tax sections were rewritten to increase the tax rate to \$50.

1997-98

Effective July 1, 1997, the enactment of Chapter 14 (SB 6) repealed thirty-five privilege license sections, retaining the sections pertaining to amusements, attorneys-at-law and other professionals, installment paper dealers, loan agencies or brokers, banks, and publishers of newspaper publications. Licensing and regulatory provisions governing peddlers, itinerant merchants, and specialty market operators repealed under Chapter 105 were transferred to Article 32 of Chapter 66.

1998-99

Effective October 1, 1998, a new section, G.S. 105-38.1, imposed a 1% gross receipts tax on persons operating a motion picture show.

1999-00

Effective July 1, 1999, the \$100 license tax levied on loan agencies or brokers was repealed; concurrently, the quarterly tax rate was increased from .275% face value to .277%. The annual location license for banks was repealed and the taxation of a new bank in operation for less than a calendar year became based on a proration of average assets and number of days in operation rather on a \$100 flat fee. Pawn brokers and check cashers were made subject to a \$250 annual per location license, while the tax on loan agencies was reduced from a \$750 annual per location tax to a \$250 annual per location tax.

2003-04 G.S. 105-41(a)(1) - N.C. Public Campaign Financing Fund voluntary contribution :

Attorneys are provided the opportunity to make a voluntary contribution of \$50 to the N.C. Public Campaign Financing Fund at the same time the annual \$50 privilege license tax is paid. The contribution is not considered part of the tax owed. [Effective on/after July 1, 2003 (applications for new licenses); effective on/after July 1, 2004 (issuance of license renewals)] (The N.C. Public Campaign Financing Fund was established to provide an alternative means of financing campaigns of candidates for the N.C. Supreme Court of Appeals who accept fundraising and spending limits.)

Intergovernmental, inter-fund transfers:

In fiscal year 2000-01, funds were transferred from the individual income tax account to the privilege tax account to make payment of a court-ordered refund; in fiscal year 2001-02 a subsequent transfer of \$18.2 million from the privilege tax account reimbursed the individual income tax account. *Privilege tax gross collections* and *Net collections before transfers* columns do not reflect the transfer of funds so as not to alter the reporting of taxpayer remittance levels. The *Collections to General Fund* column reflects the actual handling of the transfers, reporting the \$18.2 million as a transfer receivable from the individual income tax account in 2000-01 and as an account payable transfer to the individual income tax account in 2001-02.
