Detail may not add to totals due to rounding.

The excise tax is levied on each instrument by which any interest in real property is conveyed to another person (certain exceptions apply).

The tax rate is \$1 on each \$500 or fractional part of the consideration or value of the interest conveyed. The tax is paid by the transferor to the register of deeds of the county in which the real estate is located prior to recording the instrument of conveyance. If the instrument transfers a parcel of real estate lying in two or more counties, the tax must be paid to the register of deeds of the county in which the greater part of the real estate with respect to value is located. The excise tax on instruments imposed by this Article applies to timber deeds and contracts for the sale of standing timber to the same extent as if these deeds and contracts conveyed an interest in real property.

The finance officer of each county must credit one-half of the proceeds to the county's general fund and remit the remaining one-half of the proceeds, less taxes refunded and the county's allowance for administrative costs, to the NCDOR (a county may retain two percent (2%) of the amount of tax proceeds allocated to the State as compensation for the county's cost of collection and administration).

†Net proceeds compilations are based on information reported on Form R-1, Conveyance Tax Return in combination with remittances of State allocations of the excise tax on conveyances.

Compilations consist of both audited and unaudited (edited and unedited) data that is subject to and may reflect inconsistencies and omissions resultant of taxpayer and/or processing error.

Refer to Table 65 for information pertaining to county shares for fiscal year 2015-2016; refer to Table 51 for information pertaining to State allocations of the excise tax on conveyances by fiscal year.
