Source: 2015 and 2014 individual income tax extracts. Statistical summaries are compiled from personal income tax information extracted from D-400 forms processed within the DOR dynamic integrated tax system; the extract is a composite database consisting of both audited and unaudited (edited and unedited) data that is subject to and may include inconsistencies resultant of taxpayer and/or processing error.

County designation is based on the address reported on the North Carolina D-400 return at the time of filing. The D-400 form reported address may be that of the taxpayer, taxpayer's accountant, attorney, tax preparer, or other designee. The address reported on the D-400 return at the time of filing may not reflect the taxpayer's county/location of residence during the previous calendar (income) year for which the return is filed.

Out-of-state taxpayers include nonresidents, part-year, and full-year residents who filed the D-400 form using a non-North Carolina address; similarly, specific county designation data may include information attributable to nonresident and part-year resident taxpayers who did not reside in the county during the previous calendar (income) year, but who filed the D-400 form using a North Carolina address. Out-of-state category also includes twenty-three (23) returns with a total net tax liability of \$11,269 for which county designation is indeterminable.
