--	-------------------------	-------------------------	--------------------------

Notes:

A) North Carolina counties and cities receive a quarterly distribution of one fourth of a maximum of \$ 25,000 (depending on availability) for each qualifying Public, Educational, or Governmental (PEG) channel they operate [G.S. 105-164.44(b)]. A qualifying PEG channel is one that meets the programming requirements under G.S. 66-357(d). A county or city must certify to the Secretary by July 15 of each year the number of qualifying PEG channels it operates. A county or city may not receive PEG channel support for more than three qualifying PEG channels. The money distributed to a county or city for PEG channel support must be used by it for operation and support of PEG channels. The term "PEG channel" means "A public, educational, or governmental access channel provided to a county or city." [G.S. 66-350]

B) According to G.S. 105-164.44J(c), a county or city must use the supplemental PEG channel support funds distributed to it for the operation and support of each of the qualifying PEG channels it certifies by allocating the amount it receives equally among each of the qualifying PEG channels. A county or city must distribute the supplemental PEG channel support funds to the PEG channel operator of the qualifying PEG channel within 30 days of its receipt of the supplemental PEG channel support funds from the Department, or as specified in an interlocal agreement. If a qualifying PEG channel has more than one PEG channel operator, the county or city must distribute the amount allocated for that PEG channel equally to each PEG channel operator, or as specified in an interlocal agreement.

C) North Carolina counties and cities receive a quarterly distribution of their proportional share of each of the following three taxes, minus Supplemental PEG Channel Support, to replace local cable television franchise taxes repealed as of January 1, 2007 [G.S. 105-164.44F(a) and G.S. 105-164.44I(a)(b)]:

- 1) 7.7% of the net proceeds of the State Sales Tax on Telecommunication Services
- 2) 23.6% of the net proceeds of the State Sales Tax on Video Programming Services, other than Direct-To-Home Satellite Service
- 3) 37.1% of the net proceeds of the State Sales Tax on Direct-To-Home Satellite Service

A county's or city's proportional share is based on its certified amount of revenue from cable franchise fees and PEG channel subscriber fees for the first six months of Fiscal Year 2006-2007 compared to the statewide total of those revenues. The proportionate share for counties and cities that had no cable revenues during this time is based upon an amount equal to \$ 2.00 per capita [G.S. 105-164.44I(c)]. Proportional shares are adjusted each fiscal year by changes in certified populations estimated by the State Budget Officer [G.S. 105-164.44I(d)]. For purposes of this distribution, the population of a county is the population of its unincorporated areas plus the population of any ineligible cities in the county [G.S. 105-164.44I(g)].

D) For questions concerning the breakdown of the amount distributed, please contact the Distribution Unit at (919) 733-7644.
