## Notes:

Taxable property is assessed at 100% of appraised value and revaluations are effective January 1 of given year

\* All counties must revalue real property at least every 8 years, but may elect to revalue more frequently. These counties have adopted a more frequent revaluation schedule

\*\*\* Tax rates for municipal service districts apply only to certain areas within the municipalities and not to all municipal property. Rates are shown in the SPECIAL DISTRICTS column
