-----------------------------	----------------------------	---------------------	----------------------	------------------------------------	--

Notes:

Taxable property is assessed at 100% of appraised value and reappraisals are effective January 1 of given year.
 All counties must reappraise real property at least every 8 years, but may elect to reappraise more frequently. These counties have adopted a more frequent reappraisal schedule.
 An inquiry should be made to the county tax office to determine which special districts apply to a specific parcel.
