Fuel Alcohol and Biodiesel Providers may:

1. Acquire fuel from, or exchange with, other suppliers and fuel alcohol or biodiesel providers;
2. Sell fuel to distributors and licensed distributors who import or resell to customers in this state;
3. Sell fuel to licensed distributors and licensed exporters where such fuel is destined to be exported;
4. Sell fuel to retail dealers or bulk end-users;
5. Sell fuel to the United States Government;
6. Sell fuel to the State of North Carolina;
7. Sell fuel to a North Carolina local board of education;
8. Sell fuel to a North Carolina county, municipal corporation, hospital authority, or joint agency services;
9. Sell fuel to a North Carolina charter school;
10. Sell fuel to a North Carolina community college; and
11. Blend products at the loading rack where the end product may be used to propel a vehicle, vessel, or aircraft.

The Fuel Alcohol and Biodiesel Provider Return (GAS-1264) is required to be filed by fuel alcohol and biodiesel providers who transfer, exchange, loan, sell, or blend fuel alcohol or biodiesel from the storage facility at the production location within North Carolina. This return is also required to be filed by persons selling fuel alcohol and biodiesel from bulk locations within or outside this state, when such fuel is destined for sale or use in North Carolina. This return is required to be filed by the 22nd day after the end of each month.

If the return and payment are not submitted timely, the administrative discount will be disallowed.

A failure to file penalty will be assessed when returns are not received by the due date of the return, based on the amount of tax due on the return. A five percent (5%) penalty up to twenty-five percent (25%) maximum penalty will be assessed for each month the return is late.

A failure to pay penalty of ten percent (10%) of the amount of tax due and not paid will be assessed when the payment is not received by the due date of the return.

In addition, interest will be charged at a daily rate from the date the tax is due until the date the tax is paid. The interest is subject to change every six months; therefore, the rates should be verified on the Department's website at www.ncdor.gov.

Electronic Mandate: The Fuel Alcohol and Biodiesel Provider Return (GAS-1264) is required to be filed and paid electronically. Taxes may be remitted by Electronic Funds Transfer (EFT) or through the Motor Fuel Tracking System at www.ncdor.gov.

For EFT taxpayers, the Department must receive your EFT authorization by 3:45 PM on the 21st day after the end of each month. If the 21st falls on a Saturday, Sunday, or state or bank holiday, the EFT authorization must be received by 3:45 PM on the last business day prior to the Saturday, Sunday, state or bank holiday. **Remember:** Your account is debited on the banking day following your call.

If the 22nd falls on a Saturday, Sunday, or state holiday, the return and payment **MUST BE RECEIVED** by the Department on the next business day. This also applies to returns when no tax is due.

Amended Returns: Prior period adjustments are not allowed on current returns. If you must amend a previously filed fuel alcohol and biodiesel provider return, you must complete GAS-1264, Fuel Alcohol and Biodiesel Provider Return, front and back. Attach only the schedules with the required adjustments.

Line 18 - Administrative Discount

A fuel alcohol and biodiesel provider that files a **timely return** and remits a **timely payment** may deduct an administrative discount. To correctly compute the administrative discount, the following four steps must be analyzed. Administrative discount is computed for each product type. The total administrative discount may not exceed \$8,000. To correctly calculate the administrative discount, review the following four steps:

- 1) If Line 8 equals zero, calculate the administrative discount by multiplying Line 29 by .001, then multiply by the applicable road and inspection tax rates, not to exceed a total of \$8,000.
- 2) If Line 8 is greater than or equal to Line 7, enter \$0.00.
- 3) If Line 8 is greater than zero but less than Line 7, calculate the administrative discount as follows:
 - a) Compare Line 9 to Line 29. If Line 9 is less than Line 29, calculate the administrative discount by multiplying Line 9 by .001, then multiply by the applicable road and inspection tax rates, not to exceed a total of \$8,000, or,
 - b) Compare Line 9 to Line 29. If Line 9 is equal to Line 29, calculate the administrative discount by multiplying Line 29 by .001, then multiply by the applicable road and inspection tax rates, not to exceed a total of \$8,000., or,
 - c) Compare Line 9 to Line 29. If Line 9 is greater than Line 29, calculate the administrative discount by multiplying Line 29 by .001, then multiply by the applicable road and inspection tax rates, not to exceed a total of \$8,000.
- 4) If Line 8 is less than zero, calculate the administrative discount by multiplying Line 29 by .001, then multiply by the applicable road and inspection tax rates, not to exceed a total of \$8,000.

Line 19 - Adjustments

Listed below are three common adjustments that may appear on the return:

- 1) **10 Day Notification**
Credit may be obtained for taxes paid by a fuel alcohol or biodiesel provider, acting in its capacity as trustee, for a licensed distributor or licensed importer if the licensed distributor or licensed importer failed to pay the fuel alcohol or biodiesel provider by the date the tax was due to the State. The fuel alcohol or biodiesel provider must submit GAS-1242, Supplier 10 Day Notification to the Excise Tax Division prior to claiming the credit. Enter the total road and inspection taxes due.
- 2) **Credit Card Sales**
If you have exempt credit card sales originating from the supplier-issued credit card, enter total for exempt credit card sales.
- 3) **Payments made on original return**
If you are filing an amended return you must recalculate the total taxes due. Enter the total amount paid on the original return.

Line 20 - Net road and inspection taxes due

Add Lines 16, 17, and 19; then subtract Line 18. Enter the results by product type.

Line 21 - Penalty

Payment of the Failure to File Penalty is required with any return filed after the date the return is due. If this return is late, the penalty is 5% per month or any fraction thereof, with a maximum of 25% of the tax that is due.

Payment of the Failure to Pay Penalty is required for any payment received after the date the return is due. If the payment is late, the penalty is 10% of the tax due.

Line 22 - Interest

Payment of interest is required when payment on any return, with tax due, is late. The interest rate is subject to change every six months; therefore, the rates should be verified on the Department's website at www.ncdor.gov.

Line 23 - Total amount due

Add Lines 20, 21, and 22, and enter the total. This is the amount due to be paid with the return. Your payment should equal
